ROMANS 1:20 For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:

65-0221E WHO.IS.THIS.MELCHISEDEC, JEFF.IN,V-5, N-10, SUNDAY

46 Now, in the beginning God dwelled alone, with His attributes, as I spoke of this morning. That's His thoughts. There was nothing, just God alone, but He had thoughts.

Just like a great architect can set down, **in his mind, and draw out what he thinks it's he's going to build.** Create, now, he cannot create. He can take something that's been created and make it in a different form; 'cause God is the only way... only One can create. But he gets in his mind what he's going to do, and that's his thoughts, that's his desires. Now it's a thought, and then he speaks it, and it's a word then.

**63-0728 CHRIST.IS.THE.MYSTERY.OF.GOD.REVEALED,
JEFFERSONVILLE.IN V-3 N-7 SUNDAY**

141 The first thing was, that, God wanted to reveal Himself to the people.

142 He couldn't do it as a great Jehovah God Who covered all space, time, and Eternity. He could not. He is too great to ever be revealed to people, because it would be too mysterious

**63-0728 CHRIST.IS.THE.MYSTERY.OF.GOD.

142 He couldn't do it as a great Jehovah God Who covered all space, time, and Eternity.

Notes: So now the question about it, where is this?
“Who covered all space, time, and Eternity

But this is eternity also, that's why we call it Absolute Eternity, to distinguish it from this heaven, which is also eternity.

40 Let me draw you a little--little illustration here. It's good.

We go back... I believe I talked on it a little bit the other night, or struck it in Genesis the 1st chapter, 1:26, when God called His Name, "Lord God," it's in the word of "El, Elah, Elohim," which means "the self-existing One."

There was **nothing else existed but Him.** There was no air; there was no light; there was no stars; there was no world; there was no nothing else. It was God, and God alone: El, Elah, Elohim. Now, He made that.

70 But His Name, God's Name is "Jesus Christ," the Anointed One. That is His Name. He had many titles, but one Name, the only, "Not another Name under Heaven given among man, whereby you must be saved

274 I wish I could stop on that just a minute. Oh, my! I got a good notion, but...Maybe I could, if you...

275 See, nobody knows It. Did you ever know that the Name of “Jehovah” is not correct? Anyone knows. Dr. Vayle, you know that’s true. The translators could never translate It. It’s spelled J-u-h-v...J-v-h-u, I mean. It isn’t “Jehovah.” They couldn’t touch It. They don’t know what It is. Called It “Jehovah,” but it wasn’t His Name.

230 And Father, Son, and Holy Ghost, is not no
Name of God. God has one Name, and His Name is
Jesus. The Bible said the **family** in heaven is named
Jesus, and the family in earth is named Jesus. That's
right.

So God had one Name, **human Name.** He was--had
a name called Jehovah-Jireh, Jehovah-Rapha, that
was His titles of Deity. But He had one Name, Jesus.

He was from everlasting from everlasting; He is the beginning of creation. That's God. Can't see nothing, can't hear nothing, not a move of an atom in the air, not nothing, not no air, no nothing, but yet God was there. That was God.

129..... Anything that had a beginning has an end,
because anything that had a beginning is a creation.
But God was not created, He was always God.
There's no place He was created. And the only way
that we can ever have Eternal Life is to be part of that
creation. Glory! Oh, if we could see It!

57-0821 HEBREWS.CHAPTER.ONE, JEFFERSONVILLE.IN HEB WEDNESDAY

126 Could you imagine, before there even was an earth, before there was a light, before there was a star, before there was anything? **There's a Great Fountain going forth, of Spirit, and out of this Fountain came the most pure of love, 'cause there was nothing for it to come from that but love.** Now, we, what we call love, today, is a perverted love. But just as we get an essence, or a little bit of that love in us, it changes our whole opinion.

128 Now, when these great Lights went out, or great rays of Spirit: love, peace, that's all there was, That. There wasn't no suffering. There wasn't no hate, nor no malice; it couldn't come from this Fountain. That was Jehovah. That was Jehovah God. And now, as the theologians call it, a theophany went from That, which was called, in the Scriptural, the "Logos," the Logos that went out of God. It's hard to explain, but It was a part of God.

Atoms revolve on back and break down till it comes to God. Light revolved back to God.

Science is proving things now for they're basing it right back to God again. They're finding out that it runs right back again.

Before the atom could split, what God had to do was to create the atom. But if you create an atom made up of matter, what stops the matter, what stops it from traveling at the speed of light?

Not gravity; Higgs field.

So, what God did, God created a field in the spiritual, not a gravitational field, but called a Higgs field.

So they... He thought, he'd just walk aside to see why it wasn't consumed. And while he was walking up close to it, the Lord said, "Take off your shoes; you're on holy ground."

42 And then when Moses met Him in the bush, then He said, "I AM," which remains the same, three; yesterday, today, and forever, still the same God. And Moses met Him in the burning bush. He was a Light. And when He led the children of Israel out of the wilderness, He was the Angel of the covenant, that Moses by faith saw, and forsook Egypt, esteeming the reproach of Christ greater treasures than that of Egypt. By faith, Moses saw that that was Christ, the Anointing. And the Anointing was upon no certain man, but It was in a form of a Pillar of Fire. See?
