PART 4

PROVERBS 16:7 When a man's ways please the LORD, he maketh even his enemies to be at peace with him.

COLOSSIANS 1:15 Who is the image of the invisible God, the firstborn of every creature: 16 For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether *they be* thrones, or dominions, or principalities, or powers: all things were created by him, and for him {Father}:

COLOSSIANS 1:17 And he is before all things, and by him all things consist.

Before there can be a creation, there has to be a Creator, to create that creation (WMB)

AV image (23)

1) an image, figure, likeness

1a) an image of the things (the heavenly things); used of the moral likeness of renewed men to God; the image of the Son of God, into which true Christians are transformed, is likeness not only to the heavenly body, but also to the most holy and blessed state of mind, which Christ possesses.

1b) the image of one; one in whom the likeness of any one is seen; applied to man on account of his power of command; to Christ on account of his divine nature and absolute moral excellence

CONDESCEND, v.i.

1. To descend from a superior rank or estate.

ROMANS 12:16 Mind not high things but condescend to men of low estate.

[Webster]

When applied to God, 'condescend' implies change in form only, not a change or loss of character, nature or authority.

- The eighth dimension is Absolute Eternity.
- We know that it is a field, and this eighth exists because of a Being. The Being is eternal because of substance.
- He exists, and He has streams of traits and qualities which presents Him with a nature, but we don't know if this nature is put together.

- Time did not exist in the eighth dimension.
- Space did not exist in the eighth dimension.

How Long Would It Take To Count To A Billion?

It would take approximately 31 years and 251 days to count to one billion, assuming a counting rate of one number per second, If you could count continuously in perfect rhythm, one number per second, without breaks for sleeping, eating, or other activity.

How long does it take to count to a trillion?

But how long to get to one trillion? A trillion is a thousand billion. You would need to be counting for 31.7 thousand years! To count one trillion dollars, one dollar per second, would take 31,688 years, without any breaks as mentioned above!

Note in practice it will take much longer to express larger numbers for example 1 768 253, hence the time to count to these numbers will be much higher than estimated here. Thus, it could take as much as 60 years to count to a billion.

142 He couldn't do it as a great Jehovah God Who covered all space, time, and Eternity. He could not. He is too great to ever be revealed to people, because it would be too mysterious. How could that great Being that never did begin... that after you went beyond the cycle of a hundreds of billions and trillions and trillions of years of light space, and on out into the infinite, into the Eternity, and a great Creature that was all that, and still is.

52 Now, in Revelations 13:8, listen. And the Lamb was slain when? Before the foundation of the world. God in His infinite mind looking down through the streams of time and **He saw what would take place**, and how He would have to create and drop down into the time of space to pull out what He really was.

- These streams and traits of nature, actually, when we come down here in time, can be summarized with one thing, Agape.
- The mind that He has is, there is no mind that is like this mind.
- His mind is not made up of any material from the seventh or from the sixth.
- So, it's just part of the energy, and so that means that His mind is the only one who has the capacity to be omniscient.

- He has a nature, but He has no soul, and we know that the highest form of life on the earth has souls.
- Therefore, it means that, He has no beginning, no end, no mother, no father, no beginning of days or end of life.
- So, everyone outside of this energy, anyone that exists in human kingdoms, is all going to have a soul, starting from the great Son of God to all sons, are going to have souls.

GENESIS 1:2 And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. 3 And God said, Let there be light: and there was light.

- This great Being, began to condescend.
- The word 'condescend' seems to be instantaneous, but it was not instantaneous, He's condescending.
- It came to a time He condescended, but He is condescending for what we are looking at here.
- He begins to leave this eight, **He begins to form Himself.**
- Notice the word form Himself, and as He begins to form Himself, the traits and qualities now is gathered up together in what we know as a nature.

God had to determine what He wants His children to be, and how He wanted them to manifest, because the part that we live in, in the body that we live in is animal, but the image part of God is the spirit man.

So, He had to decide what His children would be, and what they would look like.

When He decided:
what form He takes,
what they will be, because He's condescending down to a
point to fellowship with them in such a manner,
for them to know Him in a certain way, and then as that
relationship starts, as He goes back up, He'll take us in our
understanding of Him, more and more.

He doesn't have to create the nature; He just has to put it together.

He doesn't have to form a mind, He just has to bring His mind down, because He exists.

And then in that mind, He has the Logos, which is the concept of God, thought and concept,

That thought and concept is still unexpressed, still in His mind, and then, of course, He is Spirit.

Now, in Him is now a plan, that He is beginning to conceive, and the first part of that plan was to be coming into creation, into time.

He takes on a name and calls Himself the Word

There is no Theophany, and at this point here, the Word is just an identification of Him, it's not another Being.

So, the Word or the Logos is not a Being because this Word here, Logos means thought or concept, is not a Being, but He calls Himself the Word, see. So, you have to make a distinction, that He calls Himself the Word, that's a name He chooses, that's **Revelation 19:13**.

REVELATION 19:13 And he was clothed with a vesture dipped in blood: and his name is called The Word of God.

We are not talking about the Son; we are talking about the Incarnate God. His name is called the Word of God.

John 1:1-2, describes Him as the Word. So, the Word and God is the self-same Being.

- We'll call this the Spirit or the Father, we call this the Word, and now I'm going to do something here, that the first thing the Word did, the Word, which is God, spoke the word to create.
- He spoke the Word and in that Word is one, the power to create fields, and one of the first fields is being created is the channel of communication, the fourth dimension, because speaking is communicating.

See, the Word, who is God, spoke the word, and when He did that, the Word that He spoke, let's say, **“let there be heavens or light,”** because He **needs a body, so a body of light, right.**

Now before that heavenly material or that atom ever appeared, He had to create a field for it to exist

GENESIS 1:2 And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. 3 And God said, Let there be light: and there was light.

➤ **SEVENTH DIMENSION**

➤ **John 1:1**

He has to create a field, and we call that the *Heavenly Higgs Field*. Our *Natural Higgs Field* is what give mass to particles, to atoms, so that it can have mass. If it did not, it will fly off at the speed of light, and nothing will be able to stay together, it will just be travelling, do you get that?

We know about the heavenly Higgs field, we know about the radiation or the channel of communication, that goes forth, it creates everything together, This being created so that this [atom] would exist, and when it did, it explodes and creates the material for heaven.

Out of that material that comes forth, it flushes the whole field that is now what we call the seventh, and we call it the heavens. And so, you have the heavens now, field, whereas here, He is existing, and heaven is a field because He exists in this form, when He comes down into this form, He also begins to create a field that He wants to exist in.

Now, it means that He was here before He created the conditions. He could exist in that condition, but if you are not created for that condition, you can't live up here. See, you have to be clothed in a certain way to live up here. When I mean clothed, I mean your atoms.

Then, after He does that for a while, a period of time, then He clothes Himself in light, and now you have a Theophany, which is a God manifestation in a body.

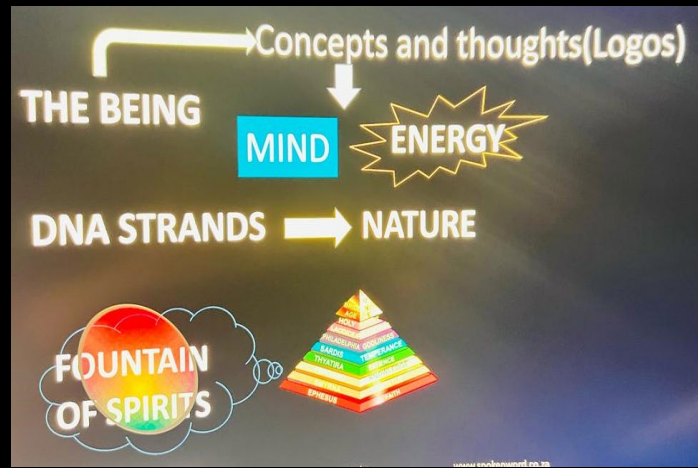

In this form, He is King Eternal. You can't say He is immortal because He has no identification with anything mortal. So, you could see now, I am going to give you an example. So, since He is the first Theophany of all Theophanies, everybody get that? He is also King Theophany.

He can manipulate any kind of matter and clothe Himself in it, Angel, whirlwind, you name it, whatever it is. So, He is King Eternal and He is also King Immortal.

If He had a name up there, what would His name be? His name would be King JVHV. Isn't that the right name of God?

King Eternal, King Theophany and King JESUS That name eventually will be known, the secret of the name will be known as Jesus. And notice the Son is not even there yet.

He is not coming from thought to Word down to be clothed in flesh.. He is a Being, Eternal Being.

If you want to identify Him as Spirit, Eternal Spirit, called the Word. He was called Jesus in flesh, not talking about the Son.

He does not come from thought to Word to flesh.
He comes from Spirit to Word to flesh.

So, now what He begins to do after a while, He begins to set forth His purpose.

His first fold purpose is that He wants to have a Son,

He wants to have a family and He wants to reveal His attributes.

As the Father, He is the architect of the plan, of the Logos.

As the Word, He is the expresser of the Logos and He can choose many ways to express it.

Through prophets, through His Son, through creation. He is the expresser, the architect of the Logos, the expresser of the Logos.

162-4 PERGAMEAN.CHURCH.AGE - CHURCH.AGE.BOOK CPT.5

The word, 'declare,' is taken from the Greek root which we often interpret as exegesis, which means to thoroughly explain and make clear. That is what the Living WORD, Jesus, did. He brought God to us, for He was God.

Watch what He said, "Know ye not that I must be about My Father's business?" The Word corrects the error. See, and the Supernatural, a twelve-year-old Child! I do not think that Jesus understood what He said, but He was the Word, and the Word corrects the error. See, He corrected His mother, and rebuked her in saying so. Comment

So, when GOD created the body, the last thing HE did, HE clothed HIMSELF in Light. So, if HE clothed HIMSELF with light, HE has to exist before HE can clothe.

HE clothed HIMSELF= HE clothed the **nature of GOD**= He clothed the **Spirit of GOD**= He clothed the **Mind of GOD**, which is **where the Logos is**.

- And the clothing is called a Body. The Body is a **Word Body and** is a theophany. So now this is HIS clothing. This clothing that's identified with HIM. Like your body is identified with you;

PROVERBS 8:23 I was set up from everlasting, from the beginning, or ever the earth was. 24 When there were no depths, I was brought forth; when there were no fountains abounding with water. 25 Before the mountains were settled, before the hills was I brought forth: 26 While as yet he had not made the earth, nor the fields, nor the highest part of the dust of the world.

63-0728 CHRIST IS THE MYSTERY OF GOD REVEALED

141 The first thing was, that, God wanted to reveal Himself to the people.

142 He couldn't do it as a great Jehovah God Who covered all space, time, and Eternity.

He could not. He is too great to ever be revealed to people, because it would be too mysterious. 64-0404 – JEHOVAH-JIREH #3

230 And here He—here He come in, Jesus and God became one. They united.

231 Like in Eden, where there Adam and Eve was in the beginning, the same spirit. Their names was called Adam.

53-0729 – QUESTIONS AND ANSWERS ON GENESIS

22 He was, in other words, Adam, the first man in the lower creations of God.

The first creation was God Himself; then out of God came the Logos, which was the Son of God;

then out of the Logos, which was the Word (“In the beginning was the Word, and the Word was with God, and the Word was God.

And the Word was made flesh and dwelt among us.”), out of the Logos came forth the—the man.

53-0403 – THE CRUELTY OF SIN, AND THE PENALTY THAT IT COST TO RID SIN FROM OUR LIVES

51 So He couldn't just leave it in that state; He had to leave something with it. So He said, “Let us” (plural) “make man,” plural, “in our own image.”

“Let us make man in our own image.” So then when God made His first man, He was a spirit man.

He was something on the order of God, or the Son of God, the Logos. That was the first man.

JOHN 17:5 And now, O Father, glorify thou me with thine own self with the glory which I had with thee before the world was.

53-0729 – QUESTIONS AND ANSWERS ON GENESIS

43 He got all those things together, made...?...Made all the other things, all the animal life, the birds, the bees, the monkeys, and whatever it was, put all of it here on earth. And then He asked this question now.

“Let Us” (Who? Father and Son) “make man in Our Own image.”

44 Now, if a man was made something like that little sacred Light yonder, or something like that, It could not be seen (which is a spiritual Being). He manifested or unfolded Himself a little more, to make a trinity of Himself by Father, Son, and Holy Spirit. And here was God, unfolded Himself now, down into “let Us make man,” which was His son, an offspring from Him, “man in Our Own image,” **he was a supernatural being.** “And let him have dominion over the cattles of the field, and so forth.”

49-1225 – THE DEITY OF JESUS CHRIST

46 And God in the beginning, made His first man, He made him out of spirit. And spirit is the invisible part of man, that you don't see. Now God made man in His Own image. Are you listening to me? All right. God made man in His Own image. "And God is a Spirit

- Adam is Eve's father.
- Eve is part of Adam.
- Eve has the same nature and life as Adam.
- Eve is the glory of Adam.
- Eve is the body of Adam.
- Eve is the revelation of Adam.
- Eve carries Adam's name.

64-1205 – THE IDENTIFIED MASTERPIECE OF GOD

138 Now we notice that God begin to make Him a Bride for Christ. So...And the Bride must be identified with Him and in Him, because it is part of Him. Now, the Bride is part of Him. She is part of Him. The Word for that day, the Bride becomes part of that Word, for it's Christ. Now, you believe that? We have to be in Christ. In Christ, we have to be of Christ, in Christ, part of Christ.

139 What is a woman, when she takes a man, or a man takes a woman? That woman has to be part of him. They're no longer two. They're one.

140 And when God and Christ became one, They were One. Cause, God was the Word, and the Word was made flesh. The flesh and the Word became One. And when the church becomes Christ's Bride, She and the Gospels are the same.
