Thoughts carry Energy

PSALM 139:16 Thine eyes did see my substance, yet being unperfect; and in thy book all my members were written, which in continuance were fashioned, when as yet there was none of them.

PSALM 139:17 How precious also are thy thoughts unto me, O God! how great is the sum of them!

PSALM 139:18 If I should count them, they are more in number than the sand: when I awake, I am still with thee.

Romans 8:2 For the law of the Spirit
of life in Christ Jesus hath made me
free from the law of sin and death.

- The law of the Spirit of life does not mean the law 10 Commandments, it's the principle of the spirit of life or "in Christ Jesus" meaning that which God placed in Christ so that we can enter having that law, that principle operate in us.
- **WHAT IS THE LAW OF THE SPIRIT?**
- Can the law of the Spirit be any different from the law of the word?
- Can it be any different from the law of the message of the hour?
- Can it be any different from achieving what God promised you?
- **NO**

GENESIS 2:23 And Adam said, This is now bone of my bones, and flesh of my flesh: she shall be called Woman, because she was taken out of Man.

GENESIS 2:24 Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh.

JOHN 17:21 That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me.

JOHN 17:22 And the glory which thou gavest me I have given them; that they may be one, even as we are one:

Restoration to true oneness, church type of Eve

THE LAW OF SIN AND DEATH

The law of sin and death is the law that was introduced to us through Eve. Eve became the door and if we come through the door which is the woman then you are coming through death. Death worketh in your body and that worketh in your soul. You are born dead.

HOW WERE WE IN SIN AND TRESPASSES?

BY BIRTH

You were born from the woman - now you can take this further and you can say the woman represents the church compared by the way that you should have been born which is by the spoken word.

So, the law of the spirit of life is the law of the spoken word. That whole pattern was represented in Christ - he was born by the word, he was led by the word, he lived the word, he manifested the word and he rose from the dead and got a glorified body that freed him from the grave and freed him from corruption.

That law that operated in him is that law that comes through your new birth.

That principle moves from changing your nature to changing your mind.

That changes your character that changes your atoms.

That changes your destination.

That changes your status to a son of Melchizedek, a king and a priest in the future home.

If you are free from sin and death, then you are eternal and immortal.

You have eternal life and immortal life.

Eternal life dwelleth in your soul

Immortal life dwelleth in the atoms that clothed you.

This law that we see in Christ Jesus, how do we get access to that principle in our life?

This is:

1 JOHN 5:11 And this is the record, that God hath given to us eternal life, and this life is in his Son.

Within eternal life are all the principles of the life that was in Christ Jesus.

All that was in Christ, He poured into the church, the Bride. Therefore, those principles must be in you.

There is a law principle within us that that law principle has live out, it must be fulfilled.

It's a law, it's a principle, it cannot fail, God's word is an absolute, it's immutable, unchangeable.

And this Life is in His Son

I JOHN 5:11 And this is the record, that God hath given to us eternal life, and this life is in his Son.

If this life is in His Son, then this law principle that was in the Son must be in us.

That law principle that allowed him to understand his Father's will.

Have a desire for his Father's will, to hate iniquity, to love righteousness.

To please the Father, to stand courageous when the whole religious world was against him, even when his disciples left him etc. all those principles are in there.

You think that you believed?

I know you think in your obeyed.

I know you think you understand etc. but all of that was programmed in you already.

You are His workmanship, not you and Him. You are His workmanship created in Christ Jesus.

Therefore, if you are created in him then the same principle that was in him must be in you.

Where did you get your gene?

Who gave you the ability to understand?

64-0308 THE.TOKEN, DALLAS.TX, V-19, N-12, SUNDAY

37 Now we find out our identification with our Sacrifice, the Life of the Sacrifice in us, which is the Holy Spirit. When that cell was broke, it released God, released God, that He had sanctified a people with His Own Blood and put God in the man again. God in you, Eternal Life!

And any Greek scholar knows that that word, Eternal Life, comes from the word Z-o-e, Zoe, which means "God's Own Life." That's right.

The only way that you ever can have Life, there is only one form of Eternal Life, and that's God's Own Life in you. See?

Then you have Eternal Life, because He is the only Eternal there is.
And we are the attributes of His thoughts, before there was even a foundation of the world or anything.

All this is just His thinking, and we're the display of His thoughts of what it was.

Woman represents the tree.

It was from the woman that Adam was introduced to a law that was not of God.

That law was the sex law. Through the sex law the woman became the door for all man.

He that is born of a woman is of a few days and full of trouble. The woman is a door, the woman is a tree.

The Hindus don't deceive you; the Buddhists don't deceive you; the Muslims don't deceive you etc. So, who deceives you?

It's the Christian church world that deceives you, the woman. Satan the old serpent deceives the world through the woman and the woman is the church.

The next principle is then you have to have another door.

That other door is not Eve but it's Christ. He becomes the door, "**I AM THE DOOR**".

Christ is the word for your day, the light, the truth, the word. Luther represented Christ for his day. Luther was the door and when you entered Luther then you got the baptism of the Holy Ghost.

Therefore, Christ the door represents the tree of life, and the tree of life must have the principle of the life that was in Christ Jesus.

So, this is the provided way for you to get that life and if you have that life then **IT'S SUPPOSED TO FREE YOU FROM THE LAW OF SIN.**

WHAT IS SIN?

SIN IS TO MISS THE MARK, SIN IS TO MISPLACE, DISLOCATE AND MISINTERPRET.

65-0822M CHRIST.IS.REVEALED.IN.HIS.OWN.WORD, JEFF.IN

74 To misinterpret Jesus, in the form of God in a man, you would make Him one God out of three.

TO MISINTERPRET JESUS CHRIST BEING THE WORD, you would make Him one God out of three, or you would make Him the second Person in a Godhead. And to do that, you would mess the whole Scripture up. You'd never get nowhere. So, It must not be misinterpreted.

75 And if you say that a certain thing, you put an interpretation on It, and you apply It to another time; or It's been applied to another time, you also make an incorrect interpreting.

II PETER 1:11 For so an entrance shall be ministered unto you abundantly into the everlasting kingdom of our Lord and Saviour Jesus Christ.

Now if you are born of the woman then you are automatically not only born spiritually dead, but you will be living in sin and trespasses.

You don't have the ability to understand because you were born from death [the woman].

You were not born from life [Christ]. Death brings forth death. How can an unclean thing bring a clean thing and how can a clean thing bring an unclean thing? It can't.

So, these two principles are written in **Romans 8**.

There is a door which is Christ and there is a door which is the woman, which is the church, which is death.

The both trees are there.

Then one of the principles apart from eternal life, the door is open, and you enter into Christ.

But then there is another door, and that door is death and that's physical death.

The woman is connected to both - she is connected to physical death, and she is connected to spiritual death. Christ is connected to life.

To enter the spirit of the law of life, sometimes you go through a door called death because if you enter through the door of Christ then when you enter through the door of death [you die] there is a place prepared for you –

I GO TO PREPARE A PLACE FOR YOU THAT WAY I AM YOU MAY BE ALSO.

ROMANS 8:2 For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death.

Now the law of sin and death was introduced to us through the woman and from your birth, "HE THAT IS BORN OF A WOMAN IS OF A FEW DAYS AND FULL OF TROUBLE."

You have two laws that operate:

- you have a law that's operating from your first birth that is in you, **THE LAW OF SIN AND DEATH** operates through all men and until the birth happens,
- until you enter Christ the door for your day,
- until that gene or germ of life which is connected to the life that was in Christ,
- unless that quickens then the other law is inoperable or the law of the spirit of life is not operating.

The law of the spirit of life starts operating with the new birth.

When that begins to operate, the spirit of life quickens you from spiritual death to spiritual life, but it does not stop working there.

The law will continue to work so that the law of the spirit of sin and death also produced a character, a mind, a thinking etc.

The law of the spirit of life continues.

When you were quickened then that law began, when you were going through your persecution then that law was there, when you were being rejected then that law was there.

When you began to understand about the changing of the mind, the roles and relationships and all these things, it was that law that was in there.

THE REASON YOU WERE ABLE TO BE TAUGHT THAT IS BECAUSE REALLY IN THAT GENE IT IS LOOKING FOR THAT.

Your spiritual birth was potentially there all the time.

God is only fulfilling the word because He elected you, put your name in the book.

Now it's come to tell you that your name was there, but it didn't put your name when it came here, it was there already.

REMEMBER THE WHOLE THING IS NOT MORE REVELATION.

It's just our minds have to look at things that we thought we knew and understood.

Come to find out that our thinking is what needs adjusting.

This law of the spirit of life in Christ Jesus is the same law that will not only change your nature or quicken it.

It will not only give you courage to stand alone for what you believe; it will give you the ability to hear and understand the things of God.

It will give you the ability to know what to pray for, to groan for what you want and even though you might not be aware of it, IT is aware of it.

You don't have to be conscious of what you need because that law that is operating in there communicates in the spirit world.

God has to service that life, like a child crying, it's a spiritual cry even though you **[the outer man]** might not be crying but in there is a law that operates.

God cannot send water when you are not thirsty. Therefore, if He sending any doctrine or any teaching or anything, it's because He knows that is what that is crying for even though you don't know.

The same law that changed and quickened your nature,

The same law that gives you courage to believe the doctrine of Christ,

The same law that allowed you to stand when everybody was falling away,

when everybody said that's two gods and not be ashamed of that,

the same law that caused you to understand roles and relationships, the hope of His calling, to know how to get up to the stature of a perfect man,

the same law that is within you is the same law that is going to change you from mortal to immortal.

- The law of sin and death that operates in this body, the law of the spirit of life in Christ Jesus will take over that law and neutralize it.
- There are two laws - when we started off, the law of sin and death had pre-eminence .
- This law of the spirit of life in Christ Jesus just started but as you fed it, as God fed it, as it ate, as it drank, as it began to exercise and enjoy the kingdom of God, the people of God then it begins to grow to such a place that eventually this outer man is becoming weaker.
- It's not being strengthened until the two laws will eventually become even and eventually this law of the spirit of life in Christ Jesus will overtake the law of sin and death and change this body of death.

I don't want you looking for outside power because it's not an outside power that quickened your nature but it's the condition of the light coming to quicken you.

THE WORD BRINGS AN ENERGY FORM BUT IT CANNOT GIVE YOU LIFE.

THE WORD CANNOT GIVE YOU THE HOLY GHOST BECAUSE IT HAS ALREADY BEEN GIVEN TO YOU BY PREDESTINATION.

The word is only coming to quicken what God has already given to make alive in the season God said it will live.

So, when God said "let there be light" it didn't happen right away.

It had to wait for the right time for that to happen, but He couldn't keep it back.

That's a divine appointment meaning nobody, your faults, your weaknesses, nothing can stop that appointment because God has a time and a place, it's not by accident, it's already in motion.

Immortality is already beginning to work in us.

The first phase of that is when you begin to understand how to live the hope of His calling in these different roles and relationships .

How you are pursuing those roles, understanding them.

It's a joy for you whether you are a good spouse partner or not, children who are godly or not.

But you understand your roles, you understand what it's doing. You want to reflect Him in the role of a father, reflect Him in the role of the church, how the church treats Christ etc. that's all you care about.

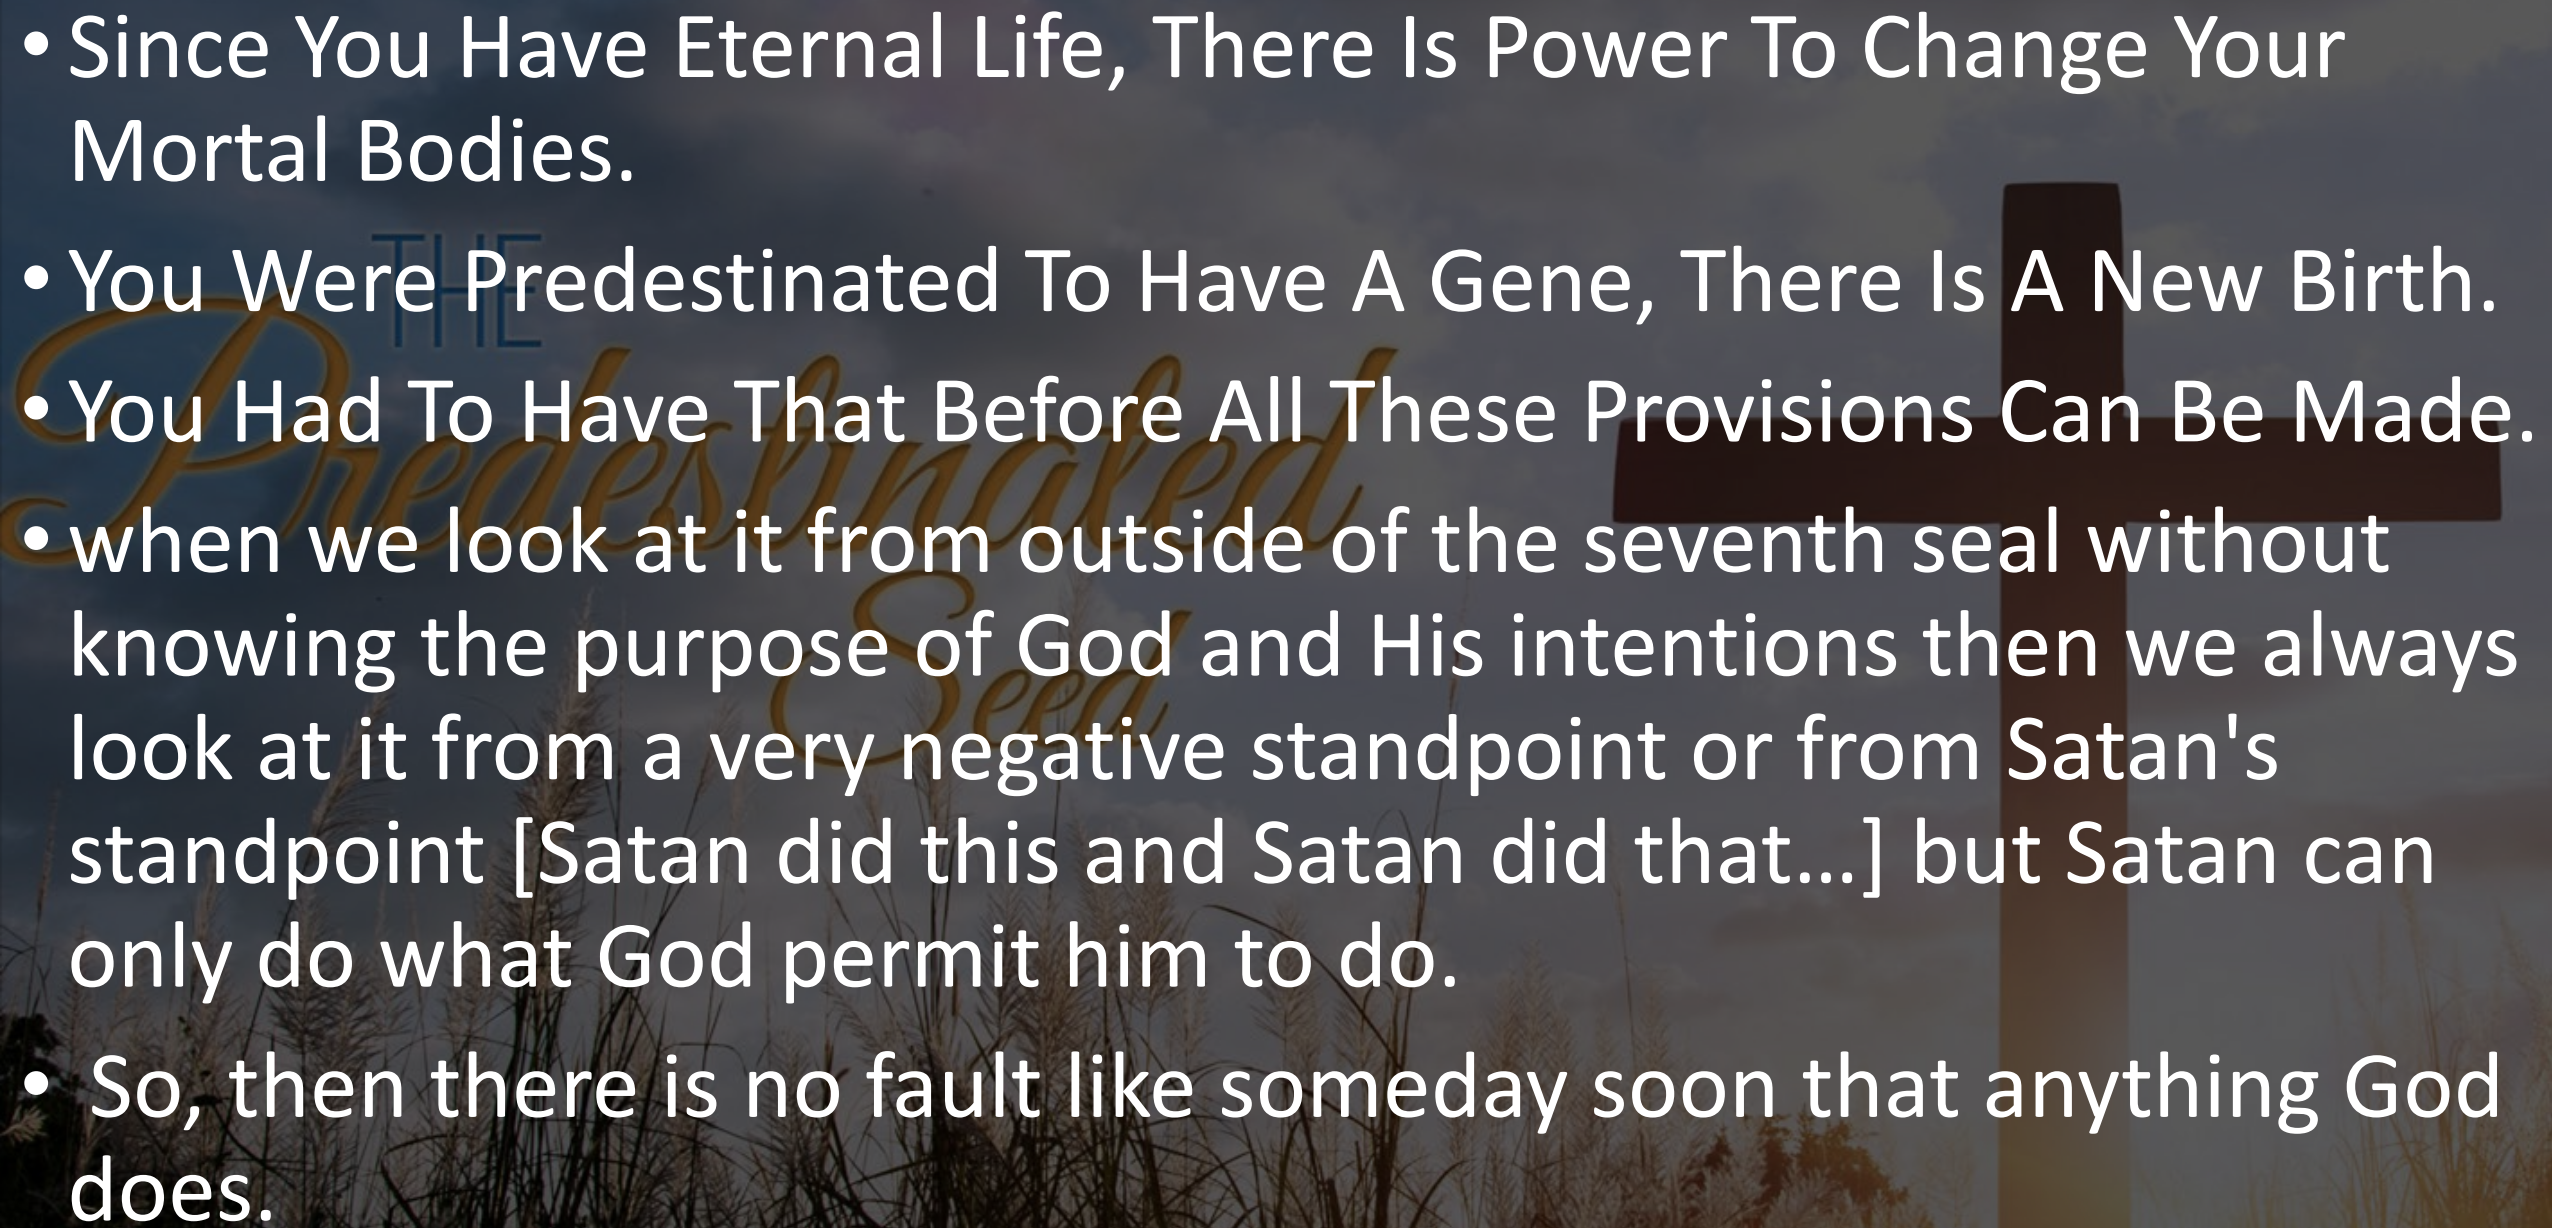

Then He's going to say "son because you understand these roles, how about playing the role of a manifested son.

How about playing the role of the god of Eden again, since you run your house and have a wife and family and you know how to play those roles, how would you like now to run my kingdom, kings and priests?"

You see the whole thing is there, we heard it all the time but sometimes we are looking for something to happen, but nothing is going to happen without going through you.

Whatever it is that you need for that to happen, God is going to send it because there cannot be a tree without an earth. There cannot be a fish without an ocean and Because You Have Eternal Life, There Is The Word.

- 
- Since You Have Eternal Life, There Is Power To Change Your Mortal Bodies.
 - You Were Predestinated To Have A Gene, There Is A New Birth.
 - You Had To Have That Before All These Provisions Can Be Made.
 - when we look at it from outside of the seventh seal without knowing the purpose of God and His intentions then we always look at it from a very negative standpoint or from Satan's standpoint [Satan did this and Satan did that...] but Satan can only do what God permit him to do.
 - So, then there is no fault like someday soon that anything God does.

So, when we were immature, everything we looked that was evil and negative and bad.

We always looked from the standpoint of Satan and that was part of our development.

We look at the hospital and see all the sick people. When God said: "the day you eat thou shall surely die", was that good or was that bad?

If there is no death, then your soul cannot be delivered into another body.

You'll be living in the sinful, miserable pest house and there will be no deliverance for the soul at all.

336-4 LAODICEAN.CHURCH.AGE - CHURCH.AGE.BOOK CPT.9

But now He is standing in the midst of the Church. As He stands there revealing Who He is in this last age, He calls Himself the "Author of the creation of God".

This is ANOTHER CREATION. This has to do with the church. This is a special designation of Himself.

He is the CREATOR of that church.

The heavenly Bridegroom created his own bride.

As the Spirit of God, He came down and created in the virgin Mary the cells from which His body was born.

336-4 LAODICEAN.CHURCH.AGE - CHURCH.AGE.BOOK CPT.9

He created the very cells in the womb of Mary for that body. It was not enough for the Holy Spirit to simply give life to a human ovum supplied by Mary. That would have been sinful mankind producing a body. That would not have produced the "Last Adam". Of Him it was said "Lo a body hast Thou (Father) prepared for Me."

God (not Mary) provided that body. Mary was the human incubator and she carried that Holy Child and brought Him to birth.

It was a God-man. He was the Son of God. He was of the NEW creation. Man and God met and joined; He was the first of this new race. He is the head of this new race.

336-4 LAODICEAN.CHURCH.AGE - CHURCH.AGE.BOOK CPT.9

Colossians 1:18,

"And He is the head of the body, the church: Who is the beginning, the first-born from the dead; that in all things He might have the preeminence."

II Corinthians 5:17

"Therefore if any man be in Christ, he is a new creation, old things have passed away, behold all things are become new."

There you can see that though man was of the OLD ORDER or creation, now in UNION WITH CHRIST, he has become the NEW CREATION of God.

Ephesians 2:10,

"For we are His workmanship CREATED IN UNION WITH CHRIST JESUS unto good works."

336-4 LAODICEAN.CHURCH.AGE - CHURCH.AGE.BOOK CPT.9

Ephesians 4:24,

"And that ye put on the NEW MAN which after God is created in righteousness and true holiness."

This New Creation is not the old creation made over, or it could not be called a new creation. This is exactly what it says it is, "NEW CREATION". It is another creation, distinct from the old one.

No longer is He dealing by ways of the flesh. That was how He dealt with Israel. He chose Abraham, and of Abraham's issue through the godly Isaac line.

336-4 LAODICEAN.CHURCH.AGE - CHURCH.AGE.BOOK CPT.9

But now out of every kindred, tribe and nation He has purposed a new creation.

He is the first of that creation. He was God created in the form of man.

Now by His Spirit He is creating many Sons unto Himself.

God the creator, creating Himself a part of His creation.

This is the true revelation of God. This was His purpose. This purpose took form through election. That is why He could look right down to the last age when all would be over and see Himself still in the midst of the church, as author of this New Creation of God.

His Sovereign power brought it to pass. By His own decree He elected the members of this New Creation. He predestinated them to the adoption of children according to the good pleasure of His will.

By His omniscience and omnipotence He brought it to pass.

336-4 LAODICEAN.CHURCH.AGE - CHURCH.AGE.BOOK CPT.9

How else could He know that He would be standing in the midst of the church receiving glory from His brethren if He did not make sure?

All things He knew, and all things He worked out according to what He knew in order that His purpose and good pleasure be brought to pass.

Ephesians 2:11

"In Whom also we have obtained an inheritance, being predestinated according to the purpose of Him Who worketh all things after the counsel of His own will.

"Hallelujah! AREN'T YOU GLAD THAT YOU BELONG TO HIM!

I don't want you looking for outside power because it's not an outside power that quickened your nature but it's the condition of the light coming to quicken you.

THE WORD BRINGS AN ENERGY FORM BUT IT CANNOT GIVE YOU LIFE.

THE WORD CANNOT GIVE YOU THE HOLY GHOST BECAUSE IT HAS ALREADY BEEN GIVEN TO YOU BY PREDESTINATION.

The word is only coming to quicken what God has already given to make alive in the season God said it will live.

The Father and the Word is the self-same Being. The Father is the one with the thoughts.

These thoughts are spoken, or brought forth, that is the Word. And this thought and word, like we are going to see, Every thought comes from energy.

GOD IS ENERGY

So, God transfers energy through thought.

That thought can be spoken and it becomes a carrier, which is the spoken word.

That thought and that word is carrying two things.

One, it is carrying a wave.

Second, it is carrying a particle. The thought first materializes as a wave, until it begins to take form and shape.

And form and shape, when we talk about form and shape, we are talking about substance, we are talking about, becomes manifest or clothed.

So, every thought comes from an energy source. The thought is carrying energy. The thought is energy. It is in a wave. It is spoken. It is in a carrier now.

And every thought has duality. It can exist as a wave, or it can become materialized. Duality. And in the quantum world, that is called particle duality.
