The Will of God

‘Permissive Will’ vs Perfect Will

368-5 A.RESUME.OF.THE.AGES - CHURCH.AGE.BOOK, CPT.10

Yet he was not a true WORD PROPHET for when God told him not to go to honor Balak with his presence he sought to go anyway for he was motivated by his lust for gold and prestige. So God let him go. **The perfect will of God gave way to the permissive will of God because of the "heart desire" of Balaam. God actually said, "Go ahead." Did God change His mind? No sir. God had His way regardless of Balaam going. Balaam did not annul the will of God. God had His way regardless. It was Balaam who was the loser for he by-passed the Word.**

368-5 A.RESUME.OF.THE.AGES - CHURCH.AGE.BOOK, CPT.10

..ed... And I will not deny that God spoke to them. But it was just like when He spoke to Balaam that second time. As He knew that Balaam wanted his own heart desire above the Word and He gave it to him, yet all the while in the end having HIS OWN way; even so today God tells folks to go ahead in their own hearts' desires for they have already rejected the Word. BUT THE WILL OF GOD WILL BE DONE REGARDLESS. Amen. I hope you see this. It will not only clear up much of what is seen in all ages but it will especially help in this last age which has so much manifestation and external blessings when the whole period is so against the 'Word-Revealed-Will' of God.

290 And Pentecost, you made it all one thing, therefore you can't accept new revelation. That's the reason you stay right where you're at and die; moves on. (So much, don't want to wear you out.) But God doesn't change His mind, His first decision is exactly right. **So God doesn't change His mind, He just let you go on in your permissive will.** "God's a good God," as Oral Roberts says. He's also a fearful God!

LOS.ANGELES.CA, V-18 N-5, THURSDAY**

38 Now, you see, from as I said last night, any move from that original plan of God throws the whole thing out of cater. We can't move from that original Word. It's got... We talked on it last evening, or evening before last, rather, on Balaam. **He got God's answer, straight and clear, "Don't go!" But He has a permissive will. And you can work in that if you wish to, and God will make it honoring, but still it's not God's perfect will.** And that's what we should strive for, His perfect will, not His permissive will. The Kingdom of God, which He... is in the earth today, will... can never be set up, justly, on a permissive will. It's got to come back to His perfect will.

**65-0427 DOES.GOD.CHANGE.HIS.MIND, LOS.ANGELES.CA, V-18, N-4,
TUESDAY**

45 So, we really believe that God never changes His mind about what He said. He always keeps It true.

46 But He has a permissive will. Now, there, where the trouble lays. We try to work on God's permissive will, and He will permit it. But also if we take His permissive will, though it's not right, He will make His permissive will to work out, together, to glorify His perfect will.

65-0418E DOES.GOD.EVER.CHANGE.HIS.MIND.ABOUT.HIS.WORD, JEFF.IN, V-5, N-9, SUNDAY

175 Yet, He grants you permission for to make, permit your will, a permissive will, knowing that... What's in your heart, He knows it. You say, "Well, Brother Branham, I do so-and-so. It don't bother me. God blesses me every day. I sing in the Spirit. I dance in the Spirit. I..." He'll permit it. Go ahead. That's right. But what are you going to do?

92 But, and if the people won't walk in His perfect will, He does have a permissive will He'll let you walk in. Notice, He permits it, all right, but He will make it work out for His glory, in His perfect will. Now if you'd like...

E-44 So then, watch this lesson, and then you'll understand. Then, Brother Bosworth said, "Brother Branham, I believe if you'll go on down there, you will see the exceedingly, abundantly, above all that we could do or think, or so forth. That's His word."

I said, "Brother Bosworth," I put my hand in his, I said, "As many battles as we've stood together, and I'm telling you in the Name of the Lord Jesus, that we're out of the will of God. And it's going to be nothing but trouble."

All the ministers begin to carry on. So they begin to talk about, along about two o'clock in the morning, the permissive will of God. God would permit it. It wouldn't be His perfect will, but being they had put up thousands of dollars for advertisement, rented great big auditoriums and things, big baseball parks and things down through there, why, it was no more than right we should go. Thousands of dollars, and natives was already piling in from everywhere, all down through there. I said, "God can send them all up here." And we found out later, He--it would've right. But no, they wouldn't listen to that. Huh-uh. No, we had to go anyhow, because they'd promised the brothers.

53-1109 AFRICA.TRIP.REPORT, OWENSBORO.KY, MONDAY

E-45 So he said, "Do you said they were going to have an earthquake tomorrow night?" I said, "I don't know what we'll have tomorrow night. It's hard to tell what we'll have." And I... Well, they asked the permissive will. I said, "God might permit it, but it'll never be His will."

ROMANS 12:2 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

67 No, we could have got... get any continuity amongst medics, amongst scientists, different ones.

If Einstein had only had the spiritual application, as he had the--the physical application, as he studied the laws of light, and so forth, he could have told us something. When I heard his message on that great center somewhere into the skies, that, "Ever contacted with that center, you could create earths, do anything, and the power would be unlimited." See? He had seen that.

E-38 But we know that we're animal life. We're plant life out of the earth. As I was saying the other day at our dear sister's funeral, we are a bunch of sixteen elements of the earth of cosmic light, and petroleums, and things put together. We were here when God spoke and said, "Let there be." Our bodies were.
