

EZEKIEL 36:26 ASV A new heart also will I give you, and a new spirit will I put within you; and I will take away the stony heart out of your flesh, and I will give you a heart of flesh. 27 And I will put my Spirit within you, and cause you to walk in my statutes, and ye shall keep mine ordinances, and do them. 28 And ye shall dwell in the land that I gave to your fathers; and ye shall be my people, and I will be your God.

55-0113 THE.FUNDAMENTAL.FOUNDATION.FOR.FAITH, CHICAGO.IL THURSDAY

E-9 Man was made as **a secondary god on earth.**

He was given the power to control all things, all elements of the earth. That was Adam. **Adam was given these great powers.**

But then the power that he was given to make his-self, is where he fell.

And Adam could speak to the winds and it would stop. He could speak to the trees and they would obey him.

He could speak to the wildlife; it would obey him. He could speak to the waters, ever what it was. Everything obeyed Adam.

Now, that is the beginning of man. That's what **God give him power over: everything on the earth.**

Now, though the fall he lost that power, then he becomes unconscious of the fact, after **losing his relationship and friendship, fellowship with the Father.**

Then he lost that. And all of his great channels become clogged up, and He couldn't get through.

We are confronting a silent but deadly enemy that is actively destroying our homes, our marriages, and our spiritual lives. We often look for the devil in massive, dramatic failures or sudden violence, but the truth is often much simpler and much quieter. Satan creeps in through the back door of our exhaustion, our daily routines, and our busy lives. When we look at the breakdown of the modern family, we must realize that **one of the main problems that kills a marriage is simply that the marriage is neglected.**

In our fast-paced, modern economic system, it is common for both the husband and wife to work out in the world, and as a result, they come home completely exhausted. They are so tired, they begin to neglect each other there is no social time, no meaningful communication, and they stop knowing what is going on in each other's lives. When a marriage is neglected at home, it creates a dangerous and empty vacuum. The initial excitement of the courtship fades, and the relationship turns into a cold, selfish transaction of "I do this for you, you do this for me".

This breakdown at home is exactly what opens the door for the devil. Since a spouse is not getting communication, love, and attention at home, they might start talking to someone on the job. This eventually develops into an unhealthy friendship and a "soap opera" outside the home that destroys the marriage. What began as simple, quiet neglect ends in total devastation.

How do we fight this neglect?

We must actively choose to water our relationships with our words. When you were courting your wife, you found the right vocabulary to tell her she was lovely and sweet. But often after marriage, that vocabulary disappears as if you forgot everything you learned. We must return to using words that heal, because pleasant words are like a honeycomb, sweet to the soul and health to the bones. Words can bring life back into your marriage, or they can poison and kill it. Husbands and wives must make it a priority to talk, to share the events of their day, and to actively listen rather than yielding to the neglect of extreme tiredness. If we neglect to use pleasant words, the enemy will fill our mouths with poison.

One of the primary ways the devil invades the family is through the steady dripping of a nagging wife or a complaining husband. Solomon warned that it is better to stay outside on the roof of your house, or out in the desert, than to live inside with a nagging, complaining wife. Nagging never changes anybody; it only makes them give up and destroys the peace of the home. You cannot stop a nagging spouse any more than you can hold the wind in your fist or oil in your hands.

But the Word teaches us that a kind answer soothes angry feelings, while harsh words stir them up. When we constantly murmur and complain about our homes, our finances, or the conditions God has placed us in, we are demonstrating a sign of profound unbelief. Just as the children of Israel grumbled in the wilderness at the waters of Meribah and God cut off their water supply, when we constantly complain in our homes, our marriages become sticky and spiritually dried up. The prophet warned that **when you start fussing and complaining about the conditions God placed you in, you are literally inviting the serpent to come into your house and bite you**. The brass serpent was lifted up in the wilderness for a compound reason: because the people were murmuring, complaining, and sinning in unbelief, and as a result, they were snake-bitten and dying. A murmuring wife or a complaining husband turns the dinner table into a place of strife instead of a place of fellowship.

We must cast down these negative thoughts, stop finding fault, and bring Thanksgiving and praise back into our homes.

The Neglect of Sacred Roles and Biblical Headship

We also open the door to the enemy when we neglect the true, biblical roles that God established for the family. Biblical headship is meant to reflect Christ's sacrificial love for the church, but the devil twists it into a Nicolaitan spirit of abuse and dictatorship. When a husband uses his headship as a license to demand his own way and deny his wife the things she loves simply to please himself, he is committing spiritual and emotional abuse. Christ did not please Himself. Where the option is whether you should please yourself or your wife, you should please your wife, if it is not contrary to the Word of God. A husband ought to lay down his life for his wife, preferring her in social, recreational, and financial decisions, because she is his best friend. When headship is used without revelation and character, it becomes a license for selfishness that destroys the home. A wise son and a wise husband will handle his authority scripturally, ensuring that his home reflects the mystery of Christ and the Church.

Neglecting the Next Generation

This spirit of neglect also targets our children. According to the divine pattern in **Deuteronomy 6**, God commands parents to diligently teach His Word to their children. This cannot be limited to just attending church; parents must talk about the Word when sitting in the house, walking, and lying down. You must actively use the time like the drive home from church to anchor the lessons of the Word in your children's minds. When a wise, Christian parent diligently teaches and communicates with their children, there is no reason for those children to grow up foolish. But if a father neglects this duty, he produces a foolish son who becomes a grief to his father and brings shame to God.

Neglecting So Great a Salvation

This principle of neglect applies to our very salvation. The Apostle Paul warns us in **Hebrews 2:3**, "*How shall we escape, if we neglect so great salvation*"? As a neglected marriage dries up and becomes vulnerable to the enemy, a neglected spiritual life leaves us exposed to the spiritual viruses of this end time, such as the deceptive spirit of Balaam. We must not let the true doctrines and the great salvation slip away through simple neglect. We need repent of our neglect today.

We need to turn our attention back to our spouses, taking the time to water our marriages with sweet words, conversation, and Christ-like sacrifice. We need to actively teach our children the Word.

And above all, let us never neglect the great salvation and the vindicated Word of this hour. Furthermore, the enemy uses the constant pressure and anxieties of this fast-paced world to push individuals toward false remedies.

When people feel overwhelmed by stress, Satan is right there to sell them addictions such as alcohol, cigarettes, and the pursuit of high-risk thrills or gambling which only further divide the home financially and emotionally. He couples this with the influence of Hollywood and modern media to strip away natural modesty and intimacy, leaving the family completely desensitized to sin and exposed to his perversions.

GENESIS 1:26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

Adam was a Spirit man which was a theophany body. The theophany is a body it houses a soul with a subconscious mind. You cannot have a soul without a subconscious mind. So, when God made man there was no conscious mind there, he has no ear tied to the earth hearing. That's a different kind of sense that he has there. Adam did not have any brain waves because he doesn't have a brain. He has a wave called a Zoe wave.

Notice everything that has life has a wave. Everything that comes from the tree of good and evil has a different wave from that which comes from the law of faith.

God doesn't put anything without a reason: In this soul or subconscious mind is where God is giving authority.

Authority is given to the subconscious mind or you might call it the subconscious man. He is given the authority and rule to have dominion over the fish of the sea. Thus, he has authority over everything living in the water, the air, on the earth and that's creeping. Our authority has nothing to do with our outer man. Adam did not have a conscious mind when he was a spirit man. Adam could pray and have communion in this state.

Our prayer has to be subconscious prayer. That's the real prayer because it's a prayer of faith. I'm not talking about making requests. The prayer of faith will heal the sick. The prayer of faith in devotion, and the prayer by revelation, God will accept. This subconscious man is the man that contacts God.

God gave Adam this theophanic body with the subconscious mind so that He could contact Adam and Adam can contact God. The Zoe man with the Zoe wave with the Zoe mind and a Zoe body in the image of God. If you separated from your body, you are dead. Remember Adam was like he was dead because Adam did not have a body. Adam could not hear with an ear like what we have in this body, he doesn't have a human body eye.

Adam has nothing there to do with the atoms of the earth. Adam does not have any elements of the creation that started with the atom splitting. In fact, nothing of Adam here is from the periodic chart. If that be true, then it means that what we call the subconscious mind cannot be anything that's made up from the elements of the earth. God made it up with a material just like the soul is a material that is not made up from the things of the world.

Recall that there are different qualities of souls for different classes in the book. The foolish virgin is one kind of soul, the Bride is another kind of soul, them that are good to the bride is another kind, them that are good to Israel is another kind, and then there's the criminal element etc.

GENESIS 5:1 This *is* the book of the generations of Adam. In the day that God created man, in the likeness of God made he him; 2 Male and female created he them; and blessed them, and called their name Adam, in the day when they were created. 3 And Adam lived an hundred and thirty years, and begat a son **in his own likeness**, after his image; and called his name Seth:

The reason we are in His likeness is because we are sons, we are products of Him. If you can go that far then I'm here to say that maybe God made our minds, the subconscious mind to be just like His mind. He gave us the subconscious mind to be like His mind. Then if you are in His likeness, you must have a mind like His mind. [**Genesis 2:6, Genesis 5:3**]. If that is the rule of thumb that God would make the image man, the word man, the spirit man with a different kind of material and that the mind of that man is like His mind.

If you look like a dog but you have the mind of the cat, then you are going to sound awfully funny. If it says, "let us make man in our image, in our likeness" and that man is not god-like, it is a problem. Thus, because you are god-like and because you're going to be a god, an object of worship of something. God said: I'm going to make the cattle look to you, I'm going to make the horse look to you, I'm going to make the creation look to you. I'm going to put you in charge over it because you are like me, and amateur god.

Based upon that rule I can say that the material of the subconscious mind is like God. The gene that is in the soul of the son of God is the nature of God, it's like the substance of God. The rule of thumb is that I can have my father's blood, I can have my father's gene, I can have my father's likeness, but I will not be my father. Therefore, even though I am like God, I am not omnipotent, I'm not omniscient, I'm not omnipresent. That is a sovereign rule that brings a change.

It works everywhere else except it doesn't work when it comes to God because the rule of thumb is that there is only one God, not two. If He gave birth of His own kind, then they can be gods in a measure, but they can never be like Him. You can be like your Source, but you cannot be the Source. So, there's only one. We can have a mind like His mind, of the substance of His substance. But there's a sovereign rule that says you can never be Him otherwise you'll break the Scripture where it says there's only one God. The product can never be greater than the source.

God then put the man with brain waves.

The man that communes with God is the subconsciousness man The subconscious man prays to God. The subconscious man believes God before he had the human eyes, before he had the human ear, before he had the human touch - that's the man that can walk by faith and not by senses. That's the man that God said let him have dominion.

The mission of mankind in **Genesis 2:5** that there was no man to till the ground. **The soul come to earth or the womb of the body for a mission.** It has an apostolic calling. God is going to commission the soul to go to that body.

55-0113 THE.FUNDAMENTAL.FOUNDATION.FOR.FAITH, CHICAGO.IL THURSDAY

E-11 Now, the thing of it is, since He has restored man back to this place, man in the fall has lost his conscious of what Father put him here on earth to do. In other words, all of the plumbing, as it was, in our brain, and the outlets, the faith, has been **clogged up with business affair, with home life, domestic things.**

It's all become so clogged-- up with that until **God can't operate through those channels that He made a man for.**

GENESIS 1:26 And God said, Let us make **man in our image**, after our likeness: and let them have **dominion** over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

He is commissioning the authority that the soul has over all creation. **We don't need our body for rule.** It's the soul who gets a commission.

GENESIS 1:27 So God created man in his *own* image, in the image of God created he him; male and female created he them.

Male and female created He them.

There is no female theophany. There is no male theophany.

There is no male soul or female soul. There's no gender up there. He said they are like the Angels.

MATTHEW 22:29 Jesus answered and said unto them, Ye do err, not knowing the scriptures, nor the power of God. 30 For in the resurrection they neither marry, nor are given in marriage, but are as the angels of God in heaven.

They are not married, nor given in marriage. He said they are made like the Angels. God in His intention saw that the mankind was going to be given gender.

GENESIS 1:28 And God blessed them, and God said unto them, **Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that move that upon the earth.**

He is commissioning Soul to replenish and multiply. He's telling the soul, there's no body there, There's no glands there. There's none of that there. He the spirit man. That commission given to the spirit son of God. God intend for the multiplication and replenishment of the earth to be done without physical contact. That's called **the missionary commission.**

MARK 16:17 And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; 18 They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

That's a commission there. Adam was not ever able to multiply and replenish the earth and subdue it.

62-0318 - "THE SPOKEN WORD IS THE ORIGINAL SEED"

What Eve failed to do, Mary did. She took the Word. Eve took Satan's lie. Mary took God's Word. And through Mary's Seed, **replenishes the earth again, through His Bride, through the Word, and will bring up the Millennium.** Through that goes forth the Word, and the Word is planted into every predestinated heart.

The prophet said, in the millennium, they would be able to be fruitful, multiply and replenish. He said, that started off on the day of Pentecost when He started to multiply the church, the members and bring forth a bride. He multiplied. He produced.

62-0527 - "QUESTIONS AND ANSWERS"

And God blessed them (after His creation, then) and...said unto them, Be fruitful, and (and) multiply, and replenish the earth, and subdue it:...

52 Conjunction after conjunction of what...Man's to be multiplying. **And, after multiplying, then subdue the earth; that's plumb into the Millennium.** See? All right, "Subdue the earth." All right:

Then we in sonship begin to submit and subdue it because we see William Branham subdued the storm and subdued the killer bull. The fulfilment has come around and ready to go to the millennium.

GENESIS 2:23 And Adam said, This is **now** bone of my bones, and **flesh** of my flesh: she shall be called **Woman**, because she was **taken out** of Man.

It's the gospel because you cannot multiply and replenish the earth through sex and not bring forth the woman or the church without suffering. He put Adam to sleep. He didn't tell you anything else.

The word "now."

She is taken out of him and through her, the instruction to the word will come. The woman. Hidden within, the bringing forth of the church or the woman, how she is taken out, where she is taken out, the purpose she is taken out, is all hidden within that one verse. The Hebrew word gives you multiple meanings and carries meaning from the root of the word. Genesis carries layers of truth and these words, **flesh of my flesh**, you are not going to get flesh and bone without the beatings, the threshing, the suffering that goes along with that. Then, the purpose that she is taken out of. **She is taken out of man for a revelation; teaching**, the word woman, 'ishshah.

The soul comes to earth to fulfil a commission. The soul comes to **earth [body]** to fulfil a commission. When you don't focus on the soul commission to this earth [body], and you're thinking about this natural earth and all that is within it, you missed the mark.

Adam got his body from outside, before he went to the Garden. God made man, and then He placed him in the Garden. The womb of that earth, the body that Adam was made from, was predestinated from the earth. God chose the predestinated earth where it comes from that will have Adam's soul. He took what He wanted to make that womb. He placed that soul in that body, that womb. A man does not choose his body. God chooses the body. (woman-church-Bride). God brings forth His own sons. Adam did not have a choice when they come forth. Neither do they have the choice of the body.

What they do have is a commission. Missionary mean One sent with a mission. Brother Branham said, "I don't like the word missionary, I like the word apostle." What does apostle mean? One sent, but there is more to that. **What is the commission of an apostle? What is the duty of an apostle? To set in order.** The soul comes to this body, in this womb to produce and set in order the whole thing. The soul comes from somewhere and is given a certain commission. The soul does not have male or female. **But the soul is given a commission and placed in a body of flesh and say set this body in order.** If a soul is sent with a commission and given a female body, he is not going to set it different from what God made it.

65-0221M - MARRIAGE AND DIVORCE

192 And He made her for man, and not man for her.

{He made the woman for the man. He made the body for the soul. The body can't tell the soul, "I don't feel like a man.}

Did you know that, that, "Woman was made for man, and not man for woman"? How many knows that?

171-2 PERGAMEAN.CHURCH.AGE

The first son (Adam) was the spoken seed-Word of God.

He was given a bride to reproduce himself.

That is why the bride was given to him, to reproduce himself; to produce another son of God.

The woman's body was made for the man. The woman was made for the man, **to reproduce the man.** A woman is the species of Homo Sapiens that is given to reproduce the male. Therefore, God through nature has given her a womb and a uterus. A man doesn't have that.

After the fall, since the woman was given to reproduce, reproduction has to do with egg and germ, every month, a season comes where the egg must come. The woman is subject to a Nature's cycle. A man is not subject to that. A Woman is given a womb because she was made for the man. The purpose of the man's life is to reproduce himself.

The purpose of God is to reproduce Himself.

The purpose of the church is to reproduce Himself.

You pervert one, you pervert the whole plan of God.

He was given a bride to reproduce himself. That is why the bride was given to him, to reproduce himself; to produce another son of God.

61-0723E - GOD BEING MISUNDERSTOOD

101 A woman, a precious jewel, that **God has made her to be a mother, entrusted her with motherhood,**

Mother means she has reproduced seed. You can't reproduce seed without germ. You can't have germ without man.

That's why the woman was given a womb with and egg.

62-0401 - WISDOM VERSUS FAITH

204 The earth, itself, is a womb.

Your body earth is a womb for the soul. For the earth, it is a womb for seed. The Word is a Seed. God place His seeds in a womb. Thus, the soul is a representation of a seed. Your body is a representation of a womb. From the soul and this womb, it will reproduce a new man in a body change and with the character and image of Jesus Christ. But the positive is when it's transformed and changed. The power of transformation is the transforming of the mind. The power of change is the changing of the atom. And the soul that is in there reproduces its character. And that is how you have a new man. A son of God. So he's giving you the secrets right here now.

64-0830M - QUESTIONS AND ANSWERS #

She was made for deception.

The Apostolic Soul

Divine Origin, Authority, and Commission

GOD & THEOPHANY STATE

The soul does not originate from the periodic chart or earth's atoms; it operates on a Zoe wave of life.

Brain Waves

ZOE WAVE

NATURE AND COMPOSITION

The Zoe Wave vs. Brain Waves

The Subconscious Man: Contacts God and walks by faith, not physical senses.

Theophanic Material

A spiritual material, like God's substance, human soul is a "secondary god" on earth.

GENDERLESSNESS AND THE "WOMB OF EARTH"

Souls are Genderless: No male or female in theophany state, like angels, they do not marry until embodied.

The Body as a "Womb": A physical womb of earth created by God to house the soul for its earthly mission.

God Determines the Gender:

God chooses the specific body and commissions the soul to fulfil that gender's duties.

THE APOSTOLIC COMMISSION

The Soul as an Apostle: "Apostle" means "one sent"; every soul is sent with a specific missionary commission.

Reflecting Christ and the Church:

Reproduce Christ's character in the home, prioritizing the sacredness of marriage.

Setting the Body in Order:

Primary duty to "set in order" the fleshly body to obey divine instructions and doctrine.

PHYSICAL AUTHORITY AND DOMINION

Ruling the "Garden":

Keep the "garden" of the body; prevent negative thoughts or "poisonous seeds" from entering.

Authority over the Elements: Original dominion over all things: wildlife, elements, and the physical senses.

Power through Revelation: True authority via communication with God through revelation and the prayer of faith.

GENESIS 1:26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. 27 So God created man in his own image, in the image of God created he him; male and female created he them.

The soul is the real you. The soul life is the real life. The soul with Zoe is not made, it is birthed of God. Rotates off the Spirit of God. The soul is sent to a specific country and in a specific body. One sent - an apostle - sent on a mission.

If the soul is sent, the one sent, that is an apostle. Your soul an apostle sent on a mission. That mission is to reflect the need for relationship that God wants. Like a female in the relationship of husband, in the relationship of a father, as a family. If that soul is not producing that from human life, then that soul, a false apostle. So, setting the body in order is in line with the purpose of God.

For male and female to produce the marriage or the relationship that is of the highest order, just that simple thing perverts the most desirable thing that God has. The man can be a little liar, he can steal, but if that woman says he is a good husband. He is holding the highest part of the relationship; the integrity of the family relationship and the home. That's the highest order.

Sins cannot be put before righteousness, which means the standard of what the soul is bringing the body to fulfil its commission. It is to prioritize the relationship of God and Christ in the home. An apostle is to set in order.

The prophet called it the control tower. The soul is given an apostolic commission.

Instruction is doctrine, to establish and to build. The body is under the apostolic soul. It's under apostolic order. Apostolic deals with doctrine, and instructions. The instructions come from to make the body obey, from the soul.

The soul is to rule and keep the body, to keep the garden. Don't let any other seed thought come in that garden.

The soul has a commission to multiply and reproduce. So therefore if it knows the commission that God has, he can't speak the Word and produce now.

The soul is genderless - but it is sent on a commission and given a body where its gender is determined by God. The soul doesn't choose the commission to be a man or a woman. God chooses that by giving the soul a body and commissioning that soul to fulfil the relationship of what a man should fulfil. That's why Brother Branham said, God made a man a man and God made a woman a woman. That he intended for them to stay that way. The soul is to make sure that it reproduces what a female is in the eyes of God. The soul is to make sure that a man reproduces what a man is that is in the mind of God and to allow them to come into the knowledge to reflect the marriage of the Lamb.

So, when people don't see marriage

- as something sacred
- not man made
- something honourable
- something that God holds to the highest
- something that is unique
- that you can only experience like God with His people and reflect that

When they cannot see the above is because the soul is unenlightened. **We don't live real lives.** The real life is when the soul is living out and bringing in subject to the commission that the soul is given. **We pursue and hope after Hollywood dream life.**

The soul is commissioned to bring the man and to bring the woman into their own place with their own duties and their own responsibilities. Then there is the world and Hollywood that tells you, "This is the way a woman should be. This is the way a man should be. This is how a wife should behave.

The Apostolic Soul: Restoring Divine Order in the Home

The Blueprint for a Divine Home

Defeating the "Enemy of Neglect"

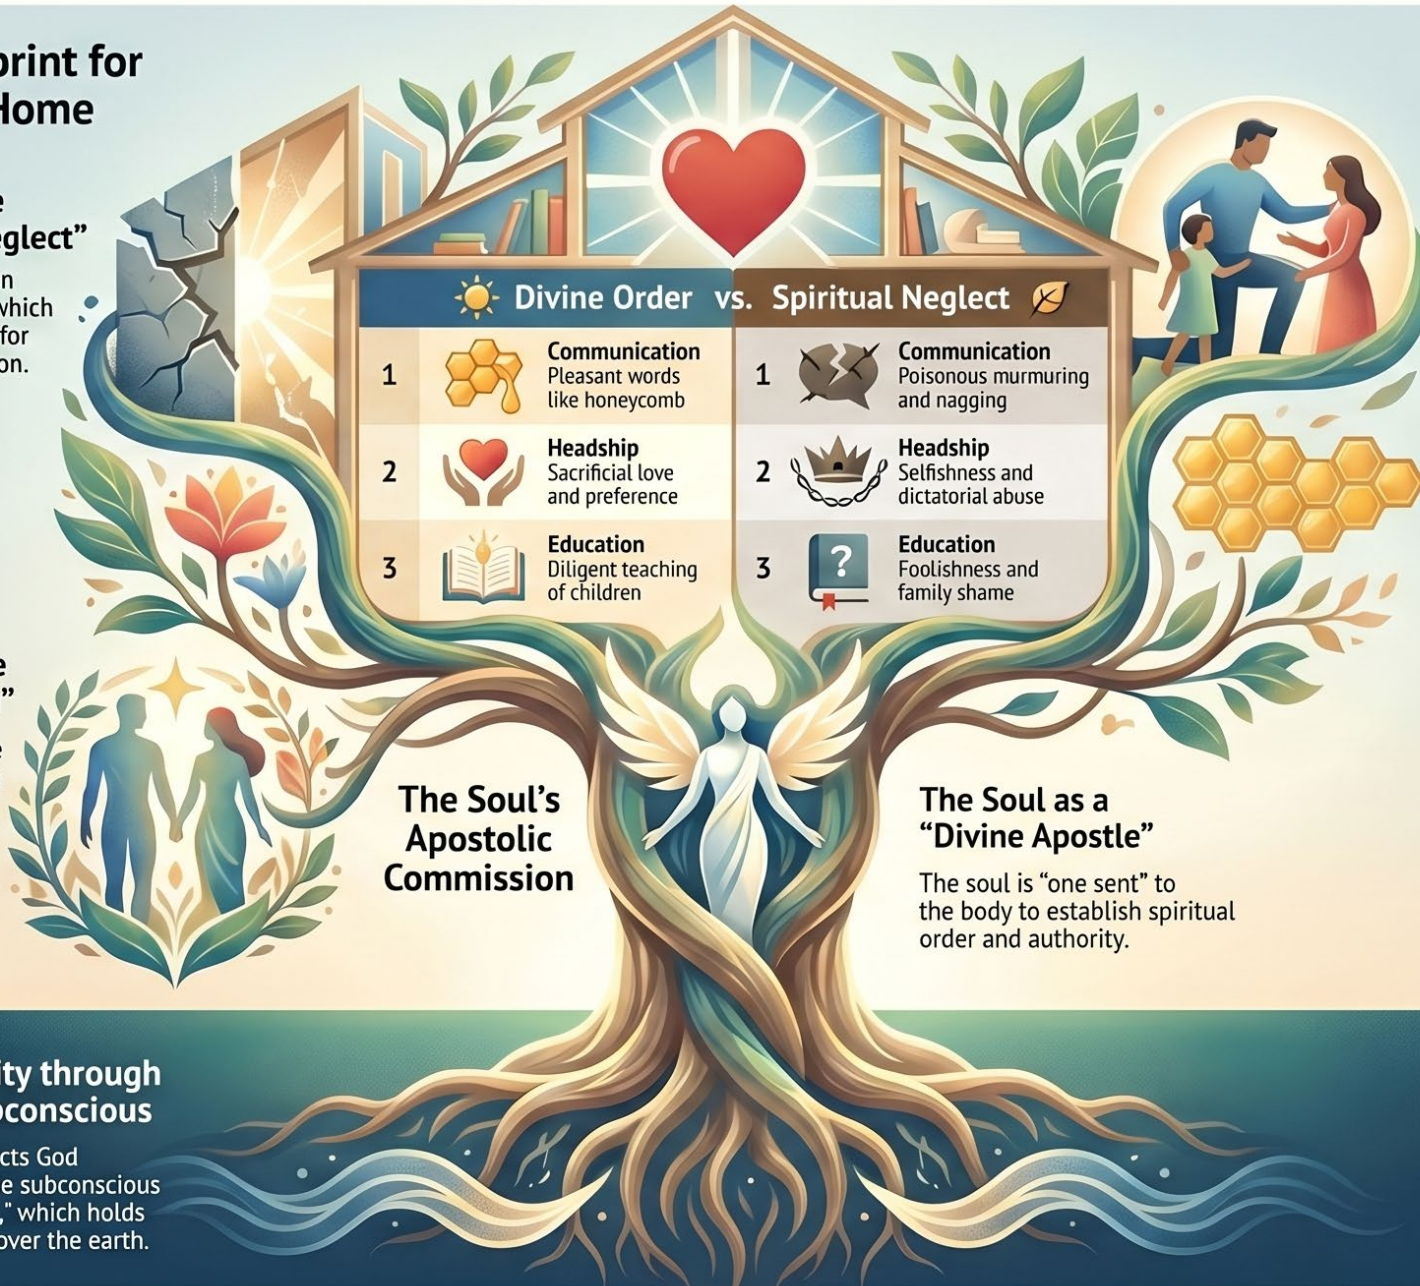

Modern exhaustion leads to neglect, which creates a vacuum for spiritual destruction.

Governing the "Body Garden"

The soul must rule the body, ensuring it reflects its God-given gender and purpose.

Authority through the Subconscious

Man contacts God through the subconscious "Zoe wave," which holds dominion over the earth.

Sacrificial Headship

Husbands must mirror Christ by preferring their wife's needs above their own.

The Power of Pleasant Words

Kind words act as a honeycomb, bringing health and life back to marriage.

The Soul's Apostolic Commission

The Soul as a "Divine Apostle"

The soul is "one sent" to the body to establish spiritual order and authority.
