

Review of the three classes of humanity

EPHESIANS 1:3 ASV Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with every spiritual blessing in the heavenly places in Christ: 4 even as he chose us in him before the foundation of the world, that we should be holy and without blemish before him in love: 5 having foreordained us unto adoption as sons through Jesus Christ unto himself, according to the good pleasure of his will,

Introduction: The Grand Design of God

When we look deeply into the grand design of God's Word, we must recognize that all of humanity is divided into exactly three distinct classes of people: the Zoe class, the human class, and the serpent class.

Understanding which of these groups you belong to is vital because it reveals your real identity, your eternal origin, and how God ultimately deals with you. Grasping these distinct identifications is the essential step in curing what is called our "spiritual amnesia".

Part 1: The Zoe Class (The Bride of Christ & Spiritual Elect)

The Zoe class, the redeemable Bride of Christ and true spiritual elect.

1. Eternal Origin and Identity

The Eternal Substance: If you are in this class, your soul never truly had a beginning and can never have an end, because you were an intrinsic part of God's actual, eternal substance. The Zoe class are the true, elected sons and daughters of God, making up the true spiritual church. Your defining characteristic is your origin: you were an intrinsic part of God's actual substance and existed as an eternal thought and attribute in His mind. Before there was ever a star, a moon, or an atom, you existed as an eternal thought and attribute resting inside the mind and loins of Elohim.

The Zoe Gene: You carry the eternal "Zoe gene," which in the original Greek literally translates to "God's Own Life". Because you are God's eternal substance, your soul never truly had a beginning, and therefore, it can never have an end.

You are the "Melchizedek race," completely identified as "flesh of His flesh, Spirit of His Spirit".

The New Birth: The new birth does not make you a child of God, because you always were one. Instead, the Holy Ghost comes into your life through the Word of Truth to "quicken" that eternal gene and wake you up to who you have always been, curing your spiritual amnesia.

2. The Divine Law of Species Affinity and the Hidden Grammar

Because of your eternal origin, you have:

Intrinsic Recognition: Your faith is not a product of human willpower, intellect, or religious effort. Instead, it operates on a "Divine Law of Species Affinity".

Just as Adam instantly recognized Eve because she came from his body, your Zoe gene unstoppably reacts and brings you to the truth when the Word is preached, recognizing its own kind.

Because you are the true seed, you understand **God's Hidden Love Language** which He intentionally designed the Scriptures to remain a mystery to the outside world, burying His deepest secrets in the grammar of the Bible (nouns, pronouns, junctions, and conjunctions).

He shows His deep maternal love by revealing this private "love language" exclusively to His children, deliberately hiding them from the denominational lodges and proving that redemption is a closed family transaction. The Zoe class reads this with spiritual eyes and recognizes God's intimate love language directed solely at them, providing absolute eternal security.

Through spiritual eyes, you see that the **Royal Seed** applies to the elect regardless of earthly status whether a scholar, businessman, prostitute, or thief because Abraham types God as the great Patriarch.

The Pronouns of Election: God uses targeted words to prove redemption is a closed family transaction, not a universal offer.

"Us": When Scripture says Christ gave Himself for "us," it strictly refers to the sons of God being placed in their rightful position of power.

"Many": In **Acts 13:48**, this refers to the specific, predestinated number of sheep ordained to hear the Shepherd through the seven church age messengers.

"All": In 1 Corinthians 15:22 ("in Christ shall all be made alive"), it strictly means the true mystical Body of Christ, not reprobates like Pharaoh or Hitler.

"Chosen": You were chosen in Him before the foundation of the world, meaning you had to already be in Him for Him to choose you. God shows His deep maternal love not by giving an easy life, but by revealing these secrets exclusively to His children. The open book reveals the Bride was intentionally made sinners in Adam to be made righteous in Christ.

3. True Justification and Complete Redemption

When you read the Bible through this divine lens, it reveals your absolute eternal security and frees you from the intellectual mechanics of man-made religion. This understanding brings us to your true redemption.

The Kinsman Redeemer: Because humanity bore a massive debt it could not pay, Jesus stepped in as our Kinsman Redeemer, paying the specific debt exclusively for those in the Zoe class. Christ the Kinsman Redeemer paid the massive debt humanity could not pay by using His own life as currency, making intercession strictly for the exact predestinated names in the Book. To "redeem" (*exagorazo* and *apolutrosis* in Greek) literally means to pay a ransom and "buy back" something to its original owner, meaning a full release secured by paying a ransom to buy someone completely out of bondage.

The Two-Step Process of True Justification: You must step away from denominational justification, which is a powerless, one-step process, which relies on the historical "chemistry of the blood" that dried up 2,000 years ago. That false religion, much like Adam trying to cover himself with a man-made fig leaf, relies on an unacceptable lamb with spots and blemishes, leaving the fallen Adamic nature completely alive and bound for judgment.

True justification is a perfect two-step process:

- **Identify the true Lamb** through God's vindicated star messenger for this age.
- **Receive the Token**, is not the physical blood, which is the literal Spirit and Life of the Lamb coming back upon you to spiritually resurrect your Zoe gene.

Complete Clearance: When the Token quickens your Zoe gene, it proves God has accepted your sacrifice. When the Token is displayed, your account is legally and perfectly cleared, completely severed from the keeping of the law, and no charges or sins can ever be imputed to you again.

4. The Book of Redemption (The Title Deed)

Your name is exclusively recorded in the Lamb's Book of Life (also called the Book of Redemption or the "open little book"), which contains the true Bride and the 144,000.

When Adam fell, he didn't lose his eternal life, he forfeited his legal rights to express it.

The Open Book acts as your literal legal "Title Deed," proving Christ used His own life as currency to buy back your exact name. It grants you the right to reclaim your lost eternal life, guaranteeing your restoration to the exact position of sonship, kingship, and intimate communion you had before the fall.

The Kinsman Redeemer will make intercessions until the very last predestinated name is redeemed, at which point the Lamb will take the Book, officially closing the period of redemption and triggering the Rapture.

5. Eternal Destiny, Position, and Earthly Preparation

The First Resurrection: Judicially cleared and loosened from the enemy's grip, the Bride bypasses the Great White Throne Judgment entirely to take part in the First Resurrection. You will receive a glorified, immortal body and dwell in supreme marital intimacy with Christ inside the Holy City, the New Jerusalem.

The Geography of Eternity: God established this specific geography because He desires exclusive, reciprocal marital fellowship with His exact species. His Bride will dwell in supreme marital intimacy with Christ inside the Holy City, the New Jerusalem, reigning as the Queen alongside the King of Kings. His Wife as Queen in the palace while the nations live outside.

Earthly Preparation: The Bride's holy living today is not a fearful attempt to earn salvation. Because her eternal destiny is secure, her righteous living, patience, and temperance, and learning to love the unlovable, are the natural product of a transformed and profoundly grateful heart, always desiring to honor the Father. God is actively preparing her to flawlessly reflect His character, justice and grace to prepare her for her eternal role as the ruling royal Melchizedek priesthood, identified as flesh of His flesh and Spirit of His Spirit.

You reinforce this earthly preparation through spiritual ordinances like Communion, which serve as a continuous reminder to deeply love and serve your spiritual Melchizedek race (spiritual family) as you ready yourself for eternal governance.

Part 2: The Human Class (The Savable & Natural Elect)

1. Origin and Identity

The Created Class: The human class is identified as the "savable" class and the "natural elect". Unlike the Bride, they never existed in the mind or loins of Elohim before the foundation of the world.

No Zoe Gene: They were a creation permitted to be born through the law of reproduction only after the fall of Adam. God is their Creator, Master, and Owner, but He is not their Father because they do not carry His actual eternal substance or the Zoe gene.

Earthly Blindness: During their earthly lives, they lack the eternal gene required to fully understand the deep mysteries of the Word. Because of this, they are often deceived, blinded, and gather in man-made denominational lodges, relying on the powerless "chemistry of the blood" which leaves their fallen Adamic nature completely alive.

2. Salvation by Divine Decree (Not Redemption)

Salvation vs. Redemption: Because they were never God's original eternal substance, they cannot be "redeemed" or bought back to an original eternal state they never possessed.

Works, Not Faith: True faith requires the eternal gene. Therefore, God does not judge them by faith. Instead, they receive "salvation" as a divine decree of ownership based entirely on their earthly works, moral deeds, and specifically, their kind attitude toward God's true people.

3. The General Book of Life and The Great White Throne

Their names are not found in the Lamb's Book of Life, but in the general Book of Life (The Book of Salvation). This book serves strictly as a record of their earthly works. They do not qualify for the first resurrection; they will rise in the second resurrection to stand before the Great White Throne Judgment.

At this judgment, the deciding metric for their salvation will be how kindly they treated the brethren (the true Bride) during their earthly lives whether they fed the hungry, visited the sick, and showed love.

4. Eternal Destiny: The Saved Nations

Perpetual Bodies: Upon receiving salvation, they do not receive glorified, immortal bodies. They will receive "perpetual" bodies that continuously renew themselves, identical to the conditional body Adam possessed in the Garden of Eden before the fall.

Outside the City: They will live forever as the peaceful, saved nations laboring and building on the new earth, dwelling distinctly outside the walls of the Holy City.

5. The Symbiotic Eternal Relationship with the Bride

The Tree of Life (The Bride-Tree): Inside the city stands the Tree of Life, representing Christ and His Bride perfectly united. Because the nations have conditional bodies, they must regularly journey into the Holy City to partake of the "leaves" of this Tree to renew their youth, health, and peace.

Eternal Teaching and Healing: The "leaves" of the Tree are for the "healing of the nations," which acts as a spiritual memorial.

The Bride acts as the spiritual "Zion," serving as the eternal government, kings, priests, and teachers to these nations. Her teaching and fellowship anoint their memory with God's grace, permanently ensuring there is never war, sin, or strife again.

Tithing to the Queen:

In direct response to the light and truth they receive, the saved nations will continually bring the fruits of their labor, glory, and honor into the Holy City as tithes to present to the King and Queen. This perfectly fulfills the biblical type of the eleven working tribes of Israel bringing a tenth of their harvest to the tribe of Levi (the priesthood).

Part 3: The Serpent Class (The Un-savable Reprobates)

1. Identity and Origin

The final category is the serpent class, known strictly as the "unsavable reprobates," the "synagogue of Satan," and the "serpent's seed". Their names were either never written in the Book of Life from the foundation of the world, or their names were completely blotted out. While they may gather in the world, the Scriptures make it clear that they are not gathered by God.

2. Defining Characteristics

Their most defining characteristic is a profound, inherent hatred they harbor a deep, vicious attitude toward God's true people (the Zoe class), toward the human class, and toward the Word and servants of God. The Book of Revelation explicitly identifies them as those who will ultimately worship the beast.

3. Eternal Destiny

Because of their intrinsic hatefulness and complete lack of the eternal gene, they have absolutely no part in redemption. They also do not qualify for salvation by works.

God has designed a perfect geography of eternity. He guards the inner Holy City for His Wife, the Zoe class, to share exclusive marital intimacy. He permits the created Human class to live peacefully on the new earth as saved nations under the Bride's loving governance.

Finally, He ensures the Serpent class is permanently destroyed. Their eternal destiny is complete condemnation and destruction, with their ultimate end being the Lake of Fire, which the Bible explicitly calls the second death.

Knowing which class you belong to changes everything about how you read the Word and understand your eternal security!

THE THREE CLASSES OF HUMANITY: GOD'S GRAND DESIGN

God's design divides humanity into three distinct classes: the Zoe, the Human, and the Serpent. Identifying one's class is the essential step in curing "spiritual amnesia" and understanding one's eternal origin and final destination.

THE ZOE CLASS (The Spiritual Elect)

The Eternal Zoe Gene

An intrinsic part of God's substance with no beginning and no end.

Redemption via the Kinsman Redeemer

Identifying the Lamb

Receiving the Spirit-filled Token.

THE HUMAN CLASS (The Natural Elect)

The Created Inhabitants

A savable class permitted through reproduction but lacking the eternal Zoe gene.

Salvation by Divine Decree

Judged by moral works and kindness toward the Zoe class, not faith.

THE SERPENT CLASS (The Reprobates)

The Serpent's Seed

Unsavable individuals whose names were never written in the Book of Life.

THEOLOGICAL MARKER COMPARISON

Feature	Zoe Class	Human Class	Serpent Class
Origin	Eternal Substance	Created Post-Fall	Serpent's Seed
Book	Lamb's Book of Life	General Book of Life	None/Blotted Out
Final Home	Holy City (Palace)	New Earth (Nations)	Lake of Fire

Destiny: The Holy City

Dwell inside New Jerusalem in marital intimacy as the Queen and Priesthood.

Destiny: The New Earth

Live outside the City in perpetual bodies, laboring in eternal peace.

Destiny: The Second Death

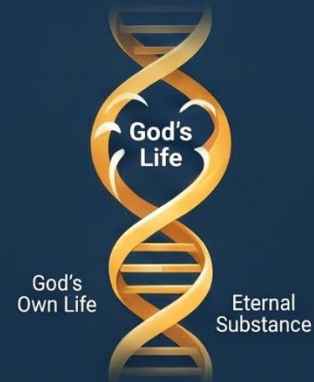

Complete condemnation and permanent destruction within the Lake of Fire.

The Three Classes of Humanity: Understanding Your Eternal Identity

Based on eternal origins, spiritual characteristics, and destinies. Understanding these categories cures spiritual amnesia.

Zoe Class (The Spiritual Elect)

Dormant
by light

Quickened by the Word
Spiritual awakening (curing amnesia) activates the pre-existing eternal gene.

Redeemed by the Kinsman Redeemer

Christ pays a specific ransom to "buy back" names recorded in the Title Deed.

The First Resurrection
Bypasses Great White Throne, receives glorified immortal bodies, and reigns as Queen in the Holy City, New Jerusalem.

The Human Class (The Natural Elect)

The Created/Savable Class
Created through law of reproduction after the fall; God is Master and Creator, not genetic Father.

Salvation by Works and Attitude: Lacking the eternal gene, judged at Great White Throne based on moral deeds and kindness toward the brethren (Zoe class).

Perpetual Bodies on the New Earth

Receive "perpetual" bodies, like Adam's original, requiring renewal from the "leaves" of the Tree of Life.

Tithing to the Queen
Living as saved nations outside the Holy City, bring labor and honor as tithes to the King and Queen, fulfilling the type of Israel's tribes.

The Serpent Class (The Reprobates)

The Un-savable Seed
Known as "synagogue of Satan," names never in the Book of Life or were blotted out; inherent hatred for God's Word.

No Part in Redemption
No capacity for faith or salvation, identified as those who will ultimately worship the beast.

The Second Death
Ultimate destiny is complete condemnation and permanent destruction in the Lake of Fire.
