Law of Eternal Life

JOHN 3:16 "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life".

In standard denominational theology, the phrase "whosoever believeth" is often taught as an open-ended, universal invitation suggesting that any human being, by their own free will and intellect, can choose to believe and get saved. However, the under the opening of the Seals and the Doctrine of Christ, John 3:16 is an election scripture governed by divine laws of reproduction, substance, and foreknowledge.

The True Meaning of "Believeth": Hearing Means Understanding

Brother Branham taught that reading "he that heareth and believeth" literally, without spiritual understanding, leads to error. A person can hear a message or read the Bible, repeat isolated statements, and still walk in unbelief.

The Greek Meaning of "Heareth"

When Jesus said, "He that heareth my Words, and believeth on Him that sent me, hath everlasting Life" (John 5:24), the original, spiritual meaning is "He that understandeth my Word".

Believing Is Tied to Revelation:

Believing is not human effort or positive thinking: it is understanding the revealed Word and the purpose of God for your day.

Who Qualifies as the "Whosoever"?

If John 3:16 is taken as a universal invitation for all mankind, and "whosoever" means anyone can come on their own,

Why did Jesus explicitly declare in: **JOHN 6:44** "No man can come to me, except the Father which hath sent me draw him"?

Why did Jesus tell His disciples in: **MATTHEW 13:11** "Because it is given unto you to know the mysteries of the kingdom of heaven, but to them it is not given"?

The word "whosoever" is limited to the elect the "world of the redeemable". As Acts 13:48 states, "and as many as were ordained to eternal life believed". Only those whose names were in the Lamb's Book of Life before the foundation of the world possess the capacity to believe the true Word.

You Cannot Believe Without a Seed: As an absolute spiritual law a person cannot believe the Word of God unless they have a divine gene in their soul.

Election by Substance is Not Human Choice

You did not become a son of God on the day you made a choice or went to an altar. You were an eternal attribute in God's thinking before the world began. God placed a dormant gene of His own Life (Zoe) into your soul.

When the Light of the hour the vindicated Message is preached, the quickening power of the Holy Spirit strikes that dormant gene. The gene possesses an inherent "sense" or "crystal" that recognizes its Father's voice ("My sheep hear My voice", John 10:27). This seed is of God's own substance, 1 John 3:9 declares that "whosoever is born of God doth not commit sin [unbelief]; for his [God's] seed remaineth in him: and he cannot sin, because he is born of God". The true seed cannot practice unbelief, misplace, or reject the vindicated Word of God.

What Love Did God Express in John 3:16?

God could never phileo a sinful, corrupt world. God so loved the world with an elective, purposeful love (Agape). The proof of God's love is election. God so loved us, the elect. You can't make it the world there. "God so loved us, He gave the Son". It was an intrinsic love of a Father redeeming His own family and children who were lost through the fall of Adam.

When John 3:16 says they "should not perish, but have everlasting life," it uses the Greek concept of Zoe: Zoe is God's own, self-existing Life, which was not created. A believer possessing this quickened Zoe gene can no more perish than God Himself can perish. In John 5:24, the believer with this life "shall not come into condemnation [judgment], but is passed from death unto life". John 3:16 does not mean that every person on earth has the inherent ability to choose and believe. Instead, "whosoever believeth" identifies that chosen, predestinated class who possess a divine Zoe gene within their soul. When the Word of the hour is revealed that inner gene is quickened, giving them the spiritual understanding to receive the Son, pass out of all condemnation, and manifest the eternal Life that was in God before the world began.

The Law of Eternal Life & Reproduction

The Law of Eternal Life is a foundational principle of the Word. Under the opening of the Seals, Eternal Life is not presented merely as an abstract reward or an endless duration of time. Eternal Life is an unchangeable spiritual law governed by divine genetics, the Law of Reproduction, and the very nature of God Himself.

The Scriptures and Message declare that God alone possesses Eternal Life. In 1 Timothy 6:16, the Bible states that He alone has immortality. Psalm 36:9 says, "For with thee is the fountain of life". A central tenet of this law is that God cannot create Eternal Life. If something is created, it has a beginning; and anything that has a beginning must inevitably have an end.

Eternal Life is defined as without beginning and without end, God cannot manufacture it or wrap it up like a parcel to hand to a stranger. Eternal Life cannot be created, the only way a believer can possess it is through The Law of Reproduction (Genesis 1:11 "every seed after his own kind"): God does not break Himself into millions of pieces to dwell in human hosts, nor does He merely "incarnate" a believer the way a demon possesses a man. God is a Being and He dwells in A place.

Instead, He fathers a family by imparting a spiritual gene or seed of His own Life (Zoe) into the soul. God the Father is the Source (capital S), while the born-again believer is the product (lowercase s). This is the law of Source and Product. An analogy used is the ocean and the spoonful: a spoonful of water dipped from the ocean contains the exact chemical composition, substance, and nature of the ocean, yet it is not the entire ocean. Therefore, while the believer possesses genuine Zoe nature, the product is limited by the **Law of Godship**.

A believer can never be omniscient, omnipresent, or self-existing, ensuring that the First Commandment is never broken: There is only one God. You did not become a son of God simply on the calendar day you repented or went to an altar. Brother Branham taught that if you possess Eternal Life now, you were in God's thinking as an eternal attribute before the foundation of the world. A thought expressed becomes a Word, and a Word manifested becomes flesh. When an elect child is born through natural reproduction, that individual arrives on earth with the divine Zoe gene lying dormant within the soul.

The New Birth is not putting something foreign into a person; it is the Word of Truth for the hour (spiritual Light and Rain) striking that dormant seed and quickening it to life.

Christ dying at Calvary did not suddenly manufacture your eternal life. Rather, mankind had forfeited the legal rights to express that life through an earthly body and walk in fellowship with God. Christ's sacrifice redeemed and restored the abstract title deed back to the sons of God.

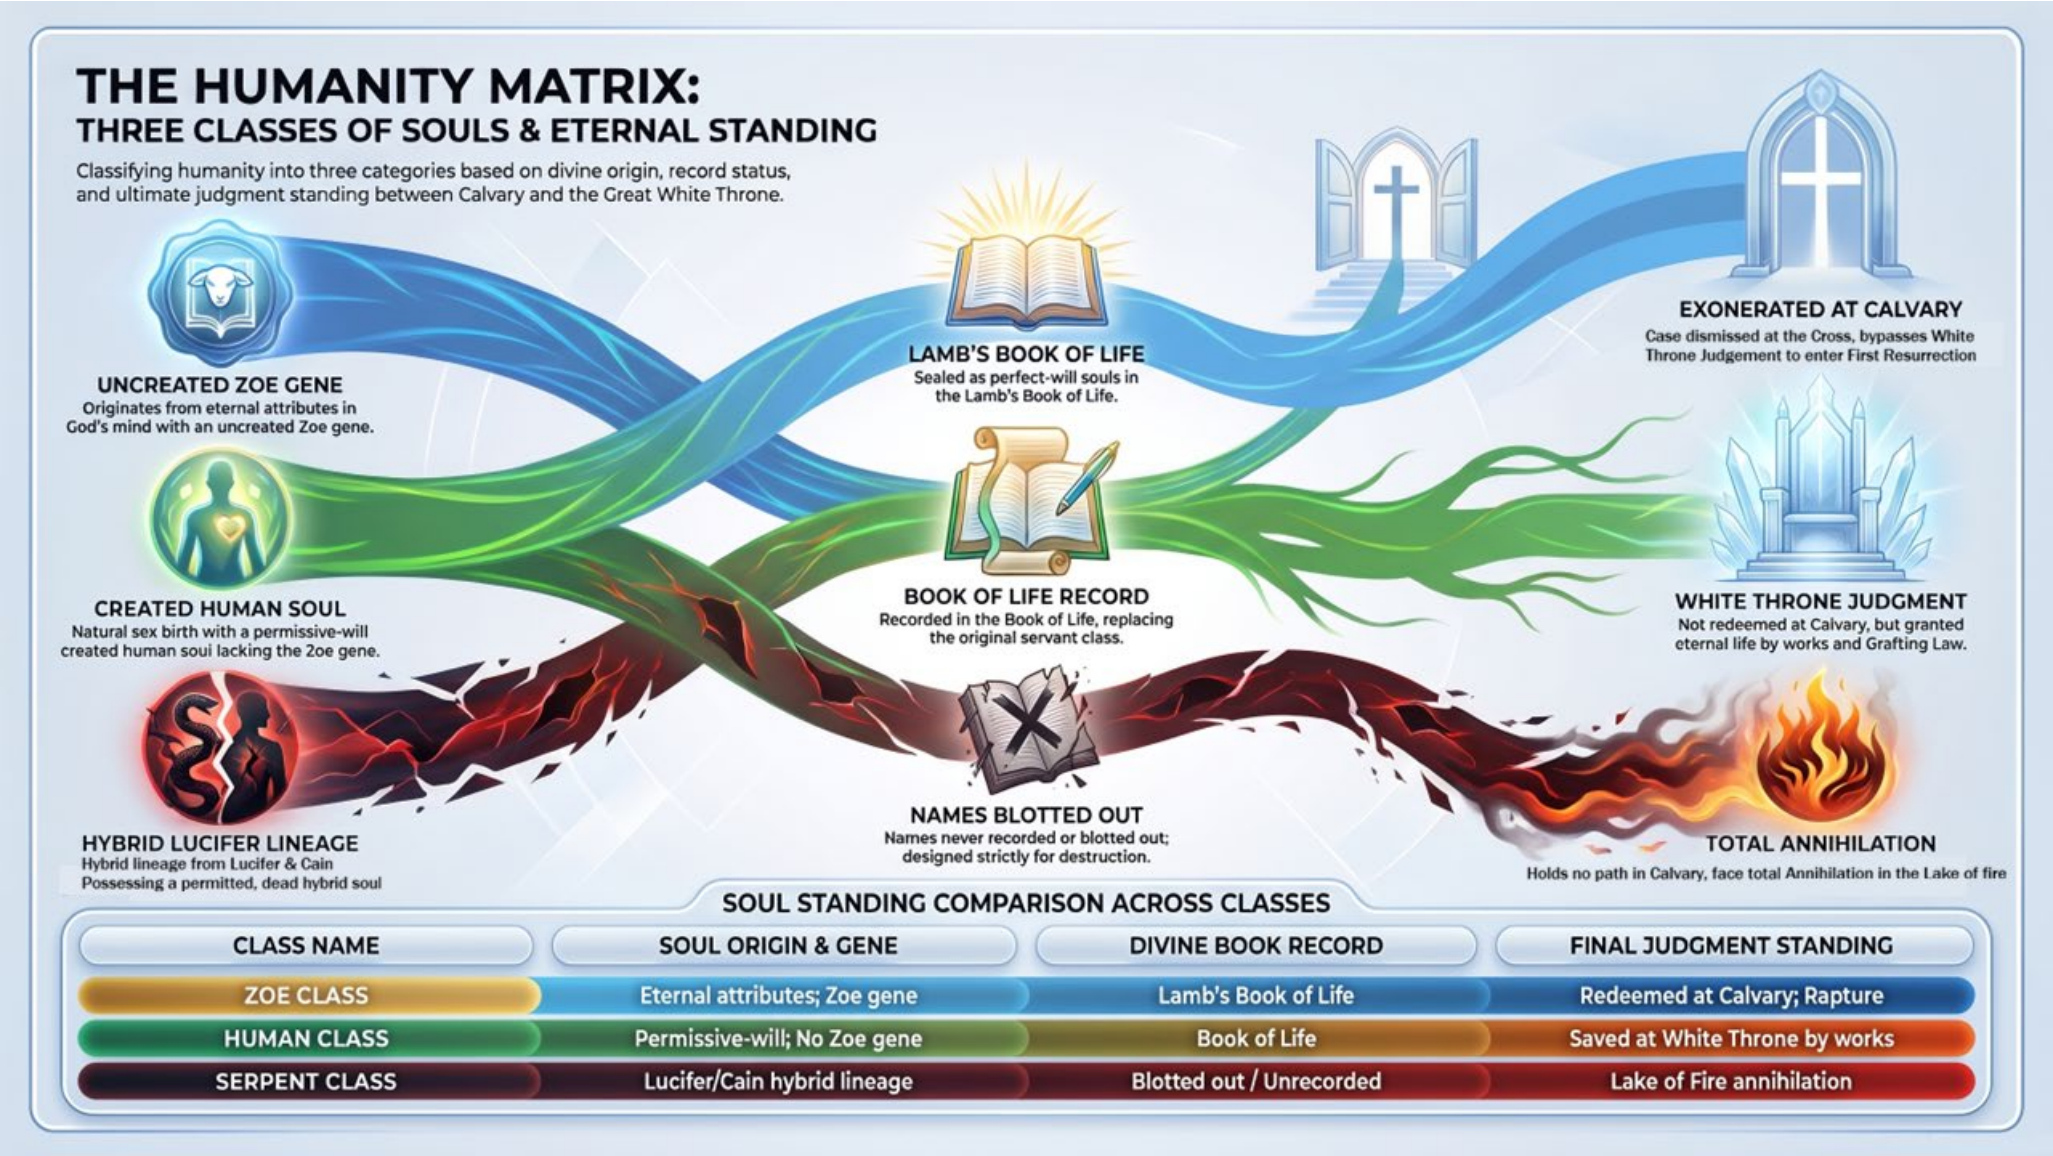

Members of this class carry a divine gene of God's own Life (Zoe) dormant within their soul. This gene was not created. Their souls possess this original divine substance; they cannot practice unbelief or be deceived by false doctrine (1 John 3:9). Their names are eternally registered in the Lamb's section of the Book of Life a sealed record from which no name can ever be blotted out or removed. Zoe gene is of God's own incorruptible substance; it is biologically and spiritually impossible for the seed to practice unbelief. While the flesh may stumble, the soul anchored to the gene cannot deny the vindicated Word of God.

The Lamb of God did not live to preserve His own comfort or status; His entire existence was poured out for others. Possession of the Zoe life naturally compels a believer to seek the welfare of the Kingdom of God and their fellow brethren. The Zoe class comprises the Bride of Jesus Christ (Old and New Testament elect) and her cousins, the 144,000 Jewish servants. They did not begin on the day they were born physically or when they repented; they were eternal attributes in the thinking and loins of God before the foundation of the world.

The Zoe Class (Possession by Birth)
The Bride and the 144,000 are born with the divine gene. They possess Eternal Life as an inherited birthright because they are the literal family of God.

The Permissive-Will Creation

When Adam fell and entered the sex birth, God permitted the human race to multiply through natural reproduction. The human class consists of moral, non-elect individuals who were conceived through natural unions without possessing the pre-ordained Zoe gene.

The Replacement of the Servant Class

In the Garden of Eden, God originally created the upright serpent as a servant to Adam. When the serpent fell and became cursed into a snake, God removed that original servant species and substituted the Human Class to serve as the nations and servant class outside the New Jerusalem.

The Human Class (The Law of Grafting)

The foolish virgins and those who were good to the Bride do not possess the Zoe gene by reproduction. However, in the second resurrection, they are granted eternal life based on how they treated Christ's brethren (Matthew 25:31–40). They are like a lemon branch grafted into an orange tree: they live off the citrus sap of the tree, but they remain a lemon branch.

The Serpent Class

Having originated from a hybrid union contrary to God's original Word, they have no name in the Lamb's Book of Life and cannot inherit eternal life; their end is total annihilation in the second death.

Three Primary Sub-Categories

- *The Foolish Virgins:* Sincere, clean-living Christians (found across church history and denomination) who love holiness and accept Jesus as Saviour but lack the oil of the Holy Ghost and true doctrinal revelation.
- *Those Good to the Bride and Israel:* Non-elect individuals (such as moral family members, friends, or leaders like Gamaliel and Cyrus) who favoured, fed, sheltered, or protected God's elect.
- *Those Good to Humanity:* Moral men and women (e.g., dedicated doctors, teachers, scientists) who selflessly served mankind.

The Book of Life Record: Position at Calvary

The Book of Life Record: They are written in the general Book of Life (a record of all human life born by sex), but not in the Lamb's section.

Position at Calvary: Purchased, Not Redeemed

- *Purchased Property:* While the blood of Jesus at Calvary only redeemed the Zoe seed, Calvary legally purchased all of creation. Christ paid the purchase price so that at the end of time, He has total sovereign rights over every created being.
- *Not Cleansed by the Blood:* As Brother Branham noted, the foolish virgins claim to be under the blood, but they are not truly under the blood. If they were truly atoned for and justified at Calvary, they could never be summoned to stand before a judgment throne.

The Law of Grafting & The Great White Throne Judgment

The Law of Grafting: They never inherit the Zoe gene by birth, nor do they receive glorified bodies like Christ. Instead, by the Law of Grafting, they are granted eternal life like a lemon branch grafted into an orange tree: they live off the eternal sap of the Tree of Life while dwelling outside the city gates.

The Great White Throne Judgment: Saved by Works and Attitude

- *The Second Resurrection:* Because their sins were not atoned for at Calvary, the Human Class must go through death, miss the First Resurrection, and come up in the Second Resurrection after the Millennium.
- *The "Sheep" of Matthew 25:* At the Great White Throne, the Judge sits on the throne with His Queen (the Bride) sitting beside Him on judicial thrones. The Human Class stands before them as the "sheep" being divided from the "goats".
- *Salvation by Works and Attitude, Not Faith:* The Human Class is judged out of the books according to their works, deeds, and conduct (Revelation 20:12). They are granted eternal life based on their condition and work specifically, how they treated Christ's brethren: "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me" (Matthew 25:40).

The Serpent Class (The Unredeemable Reprobates)

A. Origin and Biological-Spiritual Lineage

- *A Hybrid Specie:* In Genesis 3, the serpent (a tall, upright, prehistoric giant between the chimpanzee and man, who had the capacity for a soul) physically defiled Eve. This union produced Cain, introducing a hybrid, perverted seed into the human stream.

- *The Missing Soul of Origin:* God never created a hybrid, just as He never created a mule. Because this lineage was not an original creation of God, they possess no divine gene and have no heavenly theophany in the mind of God.

Three Sub-Categories of Serpent Seed

- *The Criminal Element:* Naturally driven by murder, violence, and perversion without natural affection (typified by Lamech).
- *The Denominational Religious World (Mystery Babylon):* The religious scribes, Pharisees, and church leaders who build dogmas and creeds, persecuting the vindicated prophet and crucifying the Word in every age.
- *The Twins / Discrepancy Element:* The most subtle and dangerous class those who sit inside the Message, learn the quotes, and impersonate the Bride, but continuously fight the true revelation and sow discord.

Blotted Out & Position at Calvary: Zero Atonement

- *Blotted Out of the Book:* Many never had their names written in the Book of Life at all (Revelation 13:8; 17:8); those whose names were registered by virtue of natural human lineage have their names permanently blotted out due to rebellion and idolatry.
- *Position at Calvary: Zero Atonement*
    - *No Redemptive Price:* Christ could not die for the serpent race. A Kinsman Redeemer must be of the same stock and species. The blood of Jesus Christ has no provision, atonement, or cleansing power for a hybrid creation.
    - *Vessels of Wrath:* They were raised up by God as instruments of contrast vessels of dishonour created for the day of destruction (Proverbs 16:4; Romans 9:22).

Judgment: The White Throne and Annihilation

- *The "Goats" on the Left Hand:* Those of the serpent class who live through history and are not destroyed at Armageddon are brought forth at the Great White Throne Judgment as the "goats".
- *Immediate Executive Destruction:* Certain top figures of this system the Beast (the Antichrist Pope) and the False Prophet are judged exceptionally and cast directly into the Lake of Fire at the Battle of Armageddon before the Millennium, bypassing the White Throne entirely.

- *The Second Death (Total Annihilation):* The rest of the serpent seed stand before the Great White Throne. Because their names are not found written in the Book of Life, they are cast into the Lake of Fire (Gehenna). Message doctrine emphasizes that hell is not an endless, eternal torture, because only God possesses eternal qualities. The Lake of Fire is the Second Death an utter, final consumption and total annihilation where Satan, demons, ungodly souls, and all hybrid perversions are permanently burned out of existence, leaving neither root nor branch (Malachi 4:1).

Divine Election and Spiritual Laws

The Law of Eternal Life and the Humanity Matrix

Uncreated Zoe Life

God alone possesses self-existing Life, which cannot be created or manufactured for strangers.

Law of Reproduction

Believers possess Eternal Life because God imparts a dormant Zoe seed into their soul.

Substance Over Human Choice

Salvation rests on divine genetics, not human free will or intellect.

The Humanity Matrix

- **Three Distinct Classes**
  Mankind divides into the Zoe Class, Human Class, and Serpent Class.
- **Varied Redemptive Standings**
  Each class possesses a distinct spiritual lineage, legal standing, and final destination.

Zoe Class	Eternal attributes; Zoe gene	Lamb's Book of Life	Redeemed at Calvary; Rapture
Human Class	Permissive-will; No Zoe gene	Book of Life	Saved at White Throne by works
Serpent Class	Lucifer and Cain hybrid lineage	Blotted out or unrecorded	Lake of Fire total annihilation
